We've had another lovely week of learning. Well done to everyone who has listened well, worked hard, done their best and been a good friend to others. This year, we are going to be exploring different ways in which we may involve parents and carers with their children's learning. Teachers have begun to look at educational research regarding parents as partners in learning and will be devising an exciting and innovative plan! Watch this space! Mrs Channing

Lunchtime Award

This week, our lunchtime award goes to Dylan Wilkinson. Well done, Dylan. Your manners are lovely!

Aspiration Tree nomination

I was delighted to receive an Aspiration Tree nomination this week from the proud mum of one of our former pupils. Isaac attended Roseberry Academy from 2005 to 2012. He loves music and started to play the oboe whilst at Roseberry. He graduated from Royal Holloway University with a first-class honours in Environmental Geology. He is now at Manchester University, undertaking a Master's in Environmental Impact Assessments. Isaac is a keen cyclist and enjoys camping in the wilds.

Please let us know if you would like to nominate someone for our tree!

Labels, labels everywhere!

Please make sure that your child's clothes (including coats) and footwear are labelled with their name. Labels make reuniting clothes and owners so much easier!

Harvest time!
On Friday 21st October at 9.10am, we will be holding our Harvest assembly in the lower hall. Gifts of food (tins and packets) or flowers, would be most gratefully received. Family members are welcome to attend, but please note that we have limited room and apologise in advance to anyone who arrives when the hall is full!

Act of Kindness

This week, our award goes to Jessica, Jake and Joe Dumphy-Brook for their kind donation of books, puzzles and games. They have already been put to good use and our children love them!

Home discussion question Stan asked...

Why is it okay to be different?

Covid information
We are all aware that Covid hasn't gone away and we have had recent cases within our school community. If your child tests positive for Covid, guidance states that they should avoid contact with other people for three days after the day of the test (for adults testing positive it's five days). If, following three days at home, your child feels well enough to come into school, we encourage them to do so.

Important dates

Dates for this school year may be found on our website:

Used Uniform shop

If you would like to buy high quality, washed and ironed second hand uniform, please email v.maylard@roseberryacademy.org
Buying used uniform is great for both your purse and our planet!

Bag2school

Thank you to everyone who donated unwanted clothing and bedding to our recent Bag2school collection. We raised **£122.80** for our school! Thank you to Mrs Rowan for organising this!

What has Toby seen this week?

Toby has been very impressed with the Year Six children he has seen taking part in Bikeability lessons this week. He was really impressed that children were wearing safety helmets.

Toby's nose was twitching on Thursday when the smell of baking came wafting along the corridor. Children in Mrs Barker's class and Nursery had made the most beautiful apple crumbles. Mmmm...scrumptious!

Come and find out what RAFT is about!

Roseberry Academy Friends and Teachers will be holding an informal session in the Royal Oak on Thursday 29th September at 7pm for anyone who wants to come along to find out what RAFT does throughout the year. Everyone is welcome!

Please be thoughtful when you park!

Please ensure that you do not block residents' driveways when you park. Our neighbours are lovely and we like to do our best to make them happy!

After school childcare

Roseberry Kids Club offers excellent after school provision.

A new member of our Roseberry family!

This week, we were delighted to welcome Mrs McLuckie into our Roseberry family as a member of our fabulous Midday Supervisory Assistant team. Mrs McLuckie will be looking after children during lunch times, making sure children are fed, safe and happy!

Global Council Top Tip

Why not make a memo pad out of scrap paper, rather than throwing it away?

Helping our school family

We know that times are financially tough for many of our families at the moment. Our Share what you can spare collection box is located in the lower school entrance. If you have food or household cleaning products that you would like to donate, please feel free to bring them in. If you are a family in need of support, please don't hesitate to let us know. We're here to help you as much as we can, be it sharing food, advising on claiming Free School Meals or lending a listening ear.
