## Home discussion question

**Stan asked...**

Would you rather have ten pounds or ten friends?

We have had a brilliant half term of learning - well done to everyone who has worked their socks off. Please stay safe during the holiday, folks. I look forward to seeing everyone's smiling faces on Monday 31st October! Mrs Channing

## What's Toby seen this week?

### Everyone Celebrating Cultures!

Toby has had a sneaky peek at the beautiful work that has been created by children from Nursery to Year Six this week. Children have been learning about different cultures around the world through art, craft, music, stories and food! A selection of this beautiful work is in the lower school hall for all to see!

## Half Term Heroes!

## Lunchtime Award

This week, our lunchtime award goes to Lara Grainge for sharing toys with her friend during wet lunchtime play.

## Act of Kindness

This week, our award goes to Ivy Buckeridge for sharing her mum with poorly people, Elsa Hornby for being a good friend and Elliot McLuckie for his Bravery Award suggestion!

## Harvest time!

Thank you to everyone who donated produce and flowers today. The food has been collected by Middlesbrough Foodbank and the flowers were delivered to the residents of Fry Court by Mr Moore's class during REALtime this afternoon - they also entertained the residents with their singing!

It was lovely to see so many family members joining us during our Harvest celebration this morning. We hope you enjoyed it as much as we did!

## IMPORTANT INFORMATION!

### Ordering school meals

Can you imagine planning a meal for five people and then twenty turn up? This is the difficulty our kitchen staff has, as the current meals ordering system allows parents to order meals at any time.

In order to enable our fabulous kitchen staff to order the right amount of food, please order meals via MCAS in advance (it's much easier if you choose all meals for a half term - it's a job done and less to think about!). Thank you for your support!

### A new award from a thoughtful boy!

Elliot McLuckie has asked if he may create a bespoke Bravery Award for children. He has designed a certificate and will be accepting nominations for the award after half term. If there are multiple nominations, one will be selected at random. Elliot would like to congratulate Alfie Huggins, who receives the very first Roseberry Bravery Award this week!

### Thank you, Global Council!

Thank you to our Global Council members who have been encouraging our school family to recycle paper across the school.

They do a great job, collecting the bins and emptying recyclable waste into the main collection bins for the school, ensuring that we make a difference to our world!

### Keeping our children safe online Information and guidance from E-Safety expert, Alan Mackenzie

Another app notification was sent to parents and carers on Tuesday (via the My Child At School app) containing information and a link to a short video regarding e-safety at home.

In this second video, which is just over 6 minutes long, Alan discusses what is commonly called the 4Cs which refers to: Content, Contact, Conduct and Commerce. The 4C's is the easiest way of understanding risk regardless of whether you think you are tech savvy or not!

Please watch the video - we need to work together to keep our children safe online!

### RAFT AGM

Our RAFT AGM will take place in the lower school on Monday 7th November at 6pm.

Everyone is welcome to attend - we love to have new people on board!

### Teachers and families together

It was lovely to see so many parents and carers at our Parents' and Carers' Evening on Monday evening!

### Year 6 Pupils transferring Secondary School in September 2023

The deadline to apply for a secondary school place for September 2023 is **31st October 2022**. If you have not applied for a place for your Y6 child, please submit their application as soon as possible.

Please don't assume that if you live in a school's catchment area your child will be allocated a place without you applying for one - this is not the case!

Parents of pupils living within North Yorkshire *must* apply online at:

**[www.northyorks.gov.uk/admissions](http://www.northyorks.gov.uk/admissions)**

Parents of pupils living outside North Yorkshire must apply to their home authority and obtain information from them regarding their application process. If you want your child to attend a North Yorkshire school you still need to make the application to your home authority and information will be shared between Local Authorities as part of the Local Authorities' co-ordinated admissions scheme.
