*I had the privilege of being in classrooms observing maths lessons this week. It's always a joy to be in classes, witnessing the skill of adults in how they design learning tasks and offer support to meet the needs of all children. Children are brilliant at collaborating - working together to solve problems and explain their thinking to one another. I feel very proud, indeed! Mrs Channing*

## PE Kit

It's really important that your PE kit is in school each day, children. Please make sure you have school PE kit, which is labelled with your name - fashion wear isn't PE wear!

## Lunchtime Award

This week's award goes to Evergreen Griffiths For beautiful manners and lovely behaviour. Well done, Evergreen!

## What's Toby seen this week?

Toby had great fun watching everyone bop on the spot this morning! Everyone looked great in their colourful clothes and had lots of fun.

Thank you to everyone who donated £1 to Children in Need. The money raised will help children throughout our country. Three cheers for our Roseberry family!

## Act of Kindness

This week, our award goes to Jasmine Gabiche and Aria Nicholls for being thoughtful and caring friends.

## Looking smart and being safe!

We have noticed that children are starting to wear trainers, jewellery and novelty headbands to school. Please remember that these are not school uniform items and need to stay at home, please. Thank you!

## Vacancy!

We still have a vacancy for a Midday Supervisory Assistant. Please visit our website for details and an application form!

## Christingle is back!

You are warmly invited to Christ Church on Sunday 27th November at 4pm to light a Christingle orange. Christingle is a joyful celebration that brings families and communities together to share the light of Jesus and spread a message of hope. Candle boxes/envelopes are available at school if you wish to donate to The Children's Society.

## Home discussion question

**Stan asked...**

*Do you think Rosa Parks was a brave lady? Why?*

## Learning crucial safety messages with Crucial Crew!

On Wednesday, Year 6 children took part in the 'Crucial Crew' scheme at Carlton Lodge Activity Centre, Carlton Miniott. They experienced different Health and Safety workshops run by North Yorkshire Police. The Crucial Crew event is vital in encouraging good citizenship to assist in reducing accidents, injuries, anti-social behaviour and crime, as well as protecting young people through education and awareness.

**E-Safety**

Another update from E-Safety expert, Alan Mackenzie to help us to keep our children safe online was emailed to parents and carers this week. Let’s work together to keep our children safe online!

**Thank you!**

Thank you for the donations of waterproof outer clothes and wellies that we have already received. Please remember, if you have puddle suits or waterproof trousers, jackets and wellies that your child no longer needs, we’d love to have them in school!

**Parents as Partners survey results**

Thank you to everyone who responded to our survey. The results were really interesting and will help us to plan how we may help adults to support their children’s learning at home. Data suggests that the subject adults are least confident to tackle is maths. Our maths leader, Mr Moore, has begun to plan a session for adults on how maths is taught, with top tips for supporting children with their learning at home. We’ll let you know when he’s ready to deliver this!

**Important reminder!**

The last day to consent for your child to receive their flu immunisation is tomorrow. If you have not yet done so, and wish for your child to receive the nasal flu spray, then please consent via the following link:

**Polite Notice**

We have noticed that some parents have started to use our staff car park at the end of the day. Please be aware that the car park is for staff and authorised visitor use only. We are happy for parents and carers to drive into the car park to drop children off at Breakfast Club, but this is the only time that our staff car park should be used by parents and carers, unless permission has been sought due to exceptional circumstances. Thank you for your understanding.

**Sharing skills for the benefit of everyone!**

Thank you to Mr Van Loo for coming in to check that our defibrillator is operational. It’s great when we are able to utilize the skills and expertise of members of our school family!

**Do you have a Christmas tree that you no longer need?**

We always have a huge tree in our lower school hall but would love to have one in our upper school hall, too this year! If you have a tree that you no longer want, we’d love to hear from you!

Unless your class has show and tell, or your teacher has said you may bring something special into school, please leave your toys safely at home, folks!

**May every  
sunrise bring you hope,  
may every sunset bring  
you peace.**
