## Operation Encompass

We are proud to state that our school is part of Operation Encompass. This a national police and education early intervention safeguarding partnership, in place in every police force in England and Wales, which supports children and young people who experience Domestic Violence and Abuse. It enables the police to share information about police attended Domestic Abuse incidents which involve any of our children prior to the start of the next school day. Mrs Channing (our Key Adult and Designated Safeguarding Lead) has completed online Operation Encompass Key Adult training and will cascade the principles of Operation Encompass to all other school staff and Governors. Operation Encompass is a great way of professionals working together to safeguard and support our children.

## Act of Kindness

This week, Sebastian Osborne and Thomas Collins have been chosen to receive our award for being thoughtful and caring friends. Well done, boys, we feel very proud of you!

## What has Toby seen this week?

Toby has seen some amazing Celebrating Cultures work this week! He was delighted that families came into school to see our exhibition of beautiful work this afternoon, photos of which will be shared on Teams pages and our school Twitter account.

## Partners in Learning

We pride ourselves on the relationship we have with parents and carers and the way in which we work together to support children's learning in school and at home. Following a parental survey about helping children with learning at home, teachers have started to plan curriculum and learning information sessions for parents and carers. Some of these sessions will be held face to face in school and others will be on our new Teams channel, 'Home and school learning partners', to which all children's email accounts will soon be added. On **Wednesday 22nd February at 5pm**, I will be hosting a session for parents and carers on this new channel. The session will be all about how we enable children to learn more and remember more. I'll be talking about how the memory works and sharing the methods we use in school to help children to retrieve what they have learned. It'll be great to see you there!

## Home discussion question

**Stan asked...**  
**Why is it important to learn about different cultures?**

## Global Council Top Tip

### Cricket Success!

Congratulations to Harry Fox and Frankie Russell for being selected to play for the Cleveland County Cricket team.

This is a great achievement. Well done, boys!

### Lateness

I have noticed that a number of children are arriving at school as late as 9.10am on a regular basis. As school starts at 8.55am, this means that they are missing 15 minutes of learning.

Arriving at 9.10am every day equates to a child missing 1 hour and 15 minutes of learning every week. If this happens throughout the year, it equates to 48 hours and 45 minutes of learning. That's a lot of missed learning!
