Lunchtime Award This week's award goes to Charlie Pell for his super behaviour and manners. Well done, Charlie!

Home discussion question Stan asked...Why do we need to be extra careful when walking next to roads? Is every driver a safe driver?

Well done to everyone who has shown super manners and behaviour thisweek. We feel very proud of you!Mrs Channing

## What has Toby seen this week?

On Monday, Toby was delighted as the choir performed a song that has been written especially for him! The whole school learned the song during singing practice on Tuesday and the words have been added to our school website for all to see!

On Thursday, our school was a riot of colour as children arrived dressed as their favourite book characters for World Book Day (although every day is a 'celebrating the joy of reading' day at Roseberry!). Thank you to everyone who helped children with their costumes - they looked fabulous!

# An informative Learning Council meeting

On Tuesday, Mrs Murton met with our Learning Council to discuss gender equality within school and what affects children's behaviour and ability to learn. Children felt that all children are treated equally by adults in school, but that girls and boys sometimes deal with friendship issues in different ways. They stated that influencers on TikTok often have a negative impact upon children's behaviour and use of language. They also recognised that being online after lights out impacts upon the quality and amount of sleep children have. A very mature discussion also took place around the subject of children having different needs to one another. They understood and explained that because adults know children so well, they are able to make adjustments in order to meet everyone's social and emotional needs in a variety of ways.

## Grab a bargain during our Environmental Day!

On Friday 10th March we will be holding our Environment Day in school. Children will be thinking of our environment and the role we can all play in helping to protect it. At the end of the day, from 3pm until 3.30pm, Mrs Maylard will hold a used uniform shop in the lower school entrance foyer (please could Year One children be collected from the nursery door on this day, instead of from the main entrance?). The clothing on sale is items that have been donated, or that have been in lost property, unclaimed and not labelled with children's names. Why not pop along to grab a bargain? £3 for jumpers/ cardigans, £2 for trousers, pinafores and skirts and £1 for everything else - hats, gloves, polo shirts etc. These items have all been washed by Mrs Maylard so are ready to wear!

## **Global Council Top Tip**

Remember to switch off vehicle engines when they are not in use. An idling engine uses approximately 10 litres of fuel per hour, producing around 20kg of Carbon Dioxide!

# **D.F Motors**

Please remember that sweets and juice are not allowed in school. Fruit snacks and water are much more healthy!

Act of Kindness This week, Elyssa Hayward has been awarded Act of Kindness for going out of her way to make others feel special. It also goes to Paloma Sharman for donating some beautiful books to our library. What thoughtful girls!

## **Red Nose Day**

As you know, children will be able to wear red for Red Nose Day on 17th March for a donation of £1. We will not be collecting cash donations in school, as we have been issued with a QR code for parents to use to pay the charity directly online. Just open the camera on your mobile phone and hover it over the code below. Your phone should then direct you to our school's

payment page. This should work with most mobile phones or tablets. Why not give it a go?!

#### Bags2school collection

Thank you to everyone who donated items to yesterday's Bags2school collection. This collection raised **£112** for our school which will fund the little extras that we can't usually afford!

### Sleeping or accessing the internet?

We often discover when talking to children who feel tired, grumpy or can't concentrate in lessons that they have been up late accessing videos and games on their mobile phones and tablets when they should be asleep. They have admitted that the adults in their home think they are asleep when they are actually watching YouTube videos, contacting friends or gaming. They also admit that their parents are not aware of what they are accessing on the internet. A good way to ensure that children get a good night's sleep and stay safe online is to ensure that mobiles and tablets are removed from bedrooms

at least an hour before bedtime. This may not be a popular rule to introduce, but it will be of benefit to your child's physical and emotional health.
