It's been lovely to see brilliant attitudes to learning around school this week, as well as some amazing pieces of topic homework. Well done, everyone! Mrs C!

What has Toby seen this week?

Toby just loves to see our older children giving up part of their lunch time break to support younger children with their reading.

The children pair up, find a quiet space in school and read together. It's lovely to see! Toby has also been very interested to see what's on our website for each class. Did you know that when staff add something to our school Twitter account, it automatically goes onto their class page, or subject page on our website? Toby thinks this is very clever, indeed!

Mr Thompson's shout out!

Last week, Mr Thompson heard eight fantastic readers from Years Three and Six but the highlight of his week was being invited into Year Two to answer their questions about our school in times gone by! Mr Thompson was a well loved and respected teacher at Roseberry many years ago, before he left to become a

Headteacher, and has many fond memories of life at Roseberry. Mr Thompson said that he children were so welcoming and thorough in their questioning and he was very impressed by their calm and positive attitudes. The children were astounded by his picture of the Roseberry swimming pool, which many of our parents will remember! Thank you, Mr Thompson, for sharing your time and expertise with us and supporting our learning!

IMPORTANT!

From next week, if you do not have the My Child At School app, you will no longer receive any texts to your mobile phone.

Please contact the office if you need support in setting up the app and ensure you regularly update the app via the App store on your device. Thanks!

What makes you special?

Roll up! Roll up! It's our Annual Teacher Treasure Hunt!

On Monday 20th March (next Monday), RAFT will be holding its annual Teacher Treasure Hunt in the village after school.

To take part in this event, children **MUST** be accompanied by an adult. The Treasure Hunt starts at the Royal Oak pub at 3.30pm, where clue sheets may be purchased for £1 each. All you have to do is solve the clues and identify the teachers hiding in the windows of shops, cafes and pubs. To make it tricky, they'll be wearing disguises! Clue sheets should be returned to the Oak pub and a prize will be given for each correctly completed sheet! There will also be a raffle, at a cost of £1 per strip. If you would like to donate raffle prizes, there is a donation point in the lower school main entrance. We look forward to seeing you there on Monday!

Global Council Thought for the Day

Before you put plastic items in the bin, check to see whether they can be recycled! If in doubt, check it out before you chuck it out!
