It was lovely to see so many parents in the hall after school on Thursday, meeting with teachers to discuss children's progress. It went so well we can't wait until the next one, which will be held on Tuesday! We are so lucky to have such brilliant relationships within our Roseberry family.

Mrs Channing 😊

What has Toby seen this week?

Toby has been really impressed by the beautiful work that children have produced in a range of different subjects this week. Beautiful work isn't just seen in English books - it's everywhere! Children have loved practising their art skills in our brand new art skills books. These books will travel with them as they move through the school so that they may celebrate years of progress!

Congratulations, Amanda!

This week our Assistant Cook, Amanda Fisher, received the results of her catering NVQ assessments. Her hard work and commitment to learning certainly paid off, as she passed all areas with distinctions! Everyone's a learner at Roseberry!

IMPORTANT!

If you do not have the My Child At School app, you will no longer receive any texts to your mobile phone.

Please contact the office if you need support in setting up the app and ensure you regularly update the app via the App store on your device. Thanks!

Sporting successes!

Congratulations to **Daniel Lavender**, who has been selected to represent the North East at the Traditional Tang Soo Do Federation UK International Championships at the National Arena in Cardiff on 21st April. We feel very proud of him and look forward to hearing of his success!

Layla Bint started swimming with Guisborough swimming club 10 months ago, swimming for over 6 hours per week and breaking the young swimmer's records within the club that have stood for decades. Her recorded times are exceptional and she always competes against other competitors within a much higher age group. She recently represented Guisborough at County level swimming in a category two years above her age group. She works tirelessly to reach her goals and her dedication has brought great rewards. She has entered three Galas, competing in twenty races, resulting in being awarded 18 Gold and 2 Silver medals. As a result of this, she is now ranked No1 in the North East and Yorkshire in some swimming disciplines and top 3 in most. Her next goal is to test her ability against the best in the North Zones in a regional competition when she's old enough to enter (hopefully next year).

She's definitely a credit to the club and is very highly regarded.

Congratulations to **Harry Fox** and **Frankie Russell**, who have been given their schedule for the matches they will play whilst representing Cleveland Schools Cricket Association. Good luck, boys!

Well done to our **Y5/6 Football Team**, for a great friendly match against Whale Hill Primary School on Wednesday!

Act of Kindness
 Congratulations to Boe Lambert and Daisy Broomhead who have been nominated for being kind and caring towards other children.

A visit from Reverend Peverell
 On Monday, we welcomed Reverend Peverell into school. He spoke to the children about the Easter story and helped everyone to understand the importance of Easter to Christians around the world.

Red Nose Day Comic Relief donations!
 Thank you to everyone who donated money to Comic Relief. We raised an amazing **£182** via the QR code (apologies that the minimum donation was more than £1). We still have Mr Men/Little Miss books for sale and will soon be able to let you know how much money the sale of these raised!

Lunchtime Award
 This week, our award goes to Donika Kimbunga. Her manners are lovely and she is always a good friend to others during lunch time playtimes!

Managing behaviour - dispelling myths!
 We are really proud of the positive behaviour we see in classrooms and on the playground each day. However, from time to time, children's behaviour may fall below our expected standards. When this happens, we try to understand the reason for the unacceptable behaviour, offer support, involve parents and issue sanctions in line with our Managing Behaviour Policy. Sometimes, reasonable adjustments are made in response to behaviour that may be linked to a child's disability or complex needs. This process is thorough, but not done publicly and so although children may have witnessed unacceptable behaviour, they don't see how it has been addressed.
 There is a myth that children who misbehave are allowed to go and have fun with our Family Mentor, Lesley. This is a myth! They may go to her to practise their calming down strategies, analyse their behaviour, or discuss what has happened to enable Lesley to gather information that will be shared with key staff.
