On Monday morning, we were notified that we were to receive a full Ofsted inspection on Tuesday and Wednesday. Although the experience was rather stressful, it was a great opportunity to share why we feel so very proud of our Roseberry family. I would like to thank the children and staff for the way in which they responded to the process. The results of the inspection will be shared as soon as the official report is received - this should be some time in June. I would like to offer heartfelt thanks to everyone who offered their support and kindness throughout the inspection - this was very much appreciated! I hope everyone has a restful and relaxing Bank Holiday weekend! Mrs Channing

Congratulations, Daniel!

Last week, I informed you that Daniel Lavender would be representing the North East at the Traditional Tang Soo Do Federation UK International Championships at the National Indoor Athletic Centre in Cardiff. I am both proud and delighted to inform you that Daniel competed extremely well in front of an audience of thousands of people from around the world! His club and parents were so very proud of him. Well done, Daniel! What a superstar!

What has Toby seen this week?

Toby has seen some amazing play rehearsals this week, as Years Three and Four prepare for their production. He can't wait to see it on 18th May!

A lovely Act of Kindness

This week, I received an email from Jesse's mum, who wanted to let me know about someone who thoroughly deserves to be presented with our Act of Kindness award this week. Jesse had fallen over after Sports Club and scraped his knee. He wasn't badly hurt but was very upset. Alfie McEwan saw what had happened, dropped his own bag and picked up all of Jesse's things, handed them back to him and then crouched down to offer his help and look after him. Jesse's mum thought it was important that we let Alfie's family and our Roseberry family know just how kind and caring he had been. She stated, *'It really makes me feel privileged and lucky to know that such amazing students come to this school and are such great role models! My boys often tell me how the older children help them to get ready, helping them with opening their lunch etc and during after school club.'* Well done, Alfie! This award is very well deserved!

Home discussion question
Stan asked...What have you done today to make you feel proud?

Football success!

On Wednesday, our football teams played matches against Hutton Rudby Primary School. Both teams played extremely well, with the boys losing a very close match with an end score of 7-5. I am delighted to say that the girls won their match with an impressive final score of 10 - 2!

Mark Shimwell's 'Players of the match' were Joe Webster and Daisy Broomhead. Thank you to Mark for organising the matches and preparing the pitch beforehand!

Global Council's thought for the day

Do you always have to drive to where you are going, or could you walk instead?

More sporting success!

At the start of this football season, the Stokesley Whites Under 8s football team was formed and it has gone from strength to strength! On Sunday the team played the last league game, winning the league! The team members who played in the final match were Jacob Delaney, Ruben Zimmerman, Noah Blair and Eddie Grainge. Two more fantastic players that have recently joined the team and will be playing with them next season are Sam Cutler and Freddie Brown. Well done, boys! We can't wait to hear of your future successes!

Chilling out with mindfulness

Mrs Sellers' new Mindfulness Club has been a great success. It has proved to be so popular that she has changed the day upon which the club is run so that children who take part in cross country each Wednesday may also attend. Mindfulness Club will now take place each Tuesday lunch time.
