Wherever I have been in school this week, I have witnessed superb learning behaviours, with children working hard and trying their best. The work that children produce day in, day out is beautiful! Well done! Mrs Channing 😊

## **An amazing performance!**

What a treat we had this week when children from Years Three and Four performed their production of Plastic Pirates!

They amazed us with their acting and singing skills. They were very professional, indeed, and should feel extremely proud of themselves. I would like to offer huge thanks to our fabulous Year Three and Four teaching and support staff for their hard work in making this production a success and for helping our children to make such special memories.

Thank you to Mrs Maylard, Mrs Smith and Mrs Rowan for running the evening refreshments stall and to Kate Williams for donating scrumptious treats!

Thank you to Dan Brookes for providing a lighting rig, which made the performance even more professional!

Thank you to RAFT for providing a raffle, to those who donated prizes, everyone who purchased a ticket, and Mrs Murton for assisting during the evening performance. Thanks, also, to grown ups who helped children with their lines and costumes. Finally, thank you to our *brilliant* children - we feel SO very proud of you!

## **Celebrating fabulous learning!**

Year One children had lots of fun this week, when they held an end of topic carnival party!

They looked very colourful in their party clothes and had lots of fun!

## **What has Toby seen this week?**

Toby has been really impressed by the hard work and positive attitude of our Year Two children this week as they undertook SATs tests. They concentrated hard and did their very best.

We are all very proud of you, children - well done!

Toby has also been blown away by the standard of writing he has seen across the school. He was amazed at the ambitious vocabulary children use in their work every day!

## **Home discussion question**

**Stan asked... Would you rather have ten pounds or ten friends?**

## **A lovely story from Reverend Peverell**

On Monday, Reverend Peverell delivered our whole school assembly. He read the story of a boy called Harlequin, and how his friends demonstrated their compassion and generosity towards him. We thought of how we may be kind and generous to others and that friendship, care and kind thoughts cost nothing but can mean so much to others.

**Lunchtime Award**

★ This week, our award goes to the boys from Years Five and Six who stood on the sidelines of the football pitch during Wednesday lunch time to cheer on and encourage the children from Years Three and Four who were playing football. Instead of asking if they could use the pitch, they waited patiently and offered shouts of encouragement and praise. They even congratulated children on their footballing skills at the end of the game. This was lovely to see!

**Swimming success!**

Well done to our Year Six children who have tried their very best during swimming lessons this week. Our goal is for everyone to be able to swim 25 metres and I'm proud to say that our children are well on their way to meeting this target, with some achieving this already!

Please ensure that you wear a helmet when cycling, children!  
It could save your life!
