This week, Principals from two of the schools within our Trust visited to see our fabulous curriculum in action. They were really impressed by children's attitudes to learning and the work that they produce in a range of subjects. They were really interested in the Celebrating Cultures activities that were taking place across the school. They looked at our class Learning Journeys and children's books. They spoke to children and teachers about what children learn and how we help one another to remember the wealth of knowledge and skills taught. I felt very proud, indeed! Thank you to everyone who makes Roseberry such an amazing place to learn and grow! Mrs Channing 😊

## **Advance warning of changes to the school day!**

The Government has directed that, from September, all schools must ensure that their school week consists of 32.5 hours of compulsory education time (ie the time that children need to be in school, not including after school clubs). In order to meet Government regulations, the timing of our school day will change. From September, school will start at 8.45am and finish at 3.10pm for all children from Reception to Year Six. Please note that our Nursery times will remain unchanged.

## **A lesson with the police!**

It was great to welcome our PCSO, Maisie, into school on Wednesday. She talked to Key Stage Two children about Protected Characteristics and the importance of being respectful to others. She explained that it is unlawful to discriminate against other people because of their differences. Maisie helped us to think about the things that we say and how our actions have consequences.

## **What has Toby seen this week?**

Toby has been really impressed by the quality of the work produced by children during our Celebrating Cultures week. He has heard children talking about what they have learned and has felt proud of the respect children have shown for people whose cultures and beliefs may differ from their own. Toby thought it was great that so many family members came into the hall after school today to see our exhibition of children's beautiful work!

**Home discussion question**  
*Stan asked... What makes you special?*

## **Thank you!**

Thank you to everyone who supported our RAFT cake sale today and to the RAFT members who ran it. Lots of scrumptious cakes were donated, sold and eaten!

**No more phones!**

This week, the decision was made to no longer allow children to bring mobile phones into school. The arrangement has always been that children give their phones to their teachers at the start of the school day and collect them at home time. Sadly, this arrangement has not been adhered to by a number of children. Children having camera phones in school and not adhering to the rules poses a safeguarding risk and so there will be no phones allowed in school from now on. Thank you for your support.

**Booking meals**

Please remember to book your child's lunch on MCAS, even if they qualify for free school meals. Children are sometimes embarrassed when they become aware that their adult hasn't chosen their lunch, especially when their friends' adults have chosen theirs for them. Thank you!

**Happy Holiday!**

 Please remember that school will be closed next week for our half term break.  Children return on Tuesday 6th June for another action packed half term of learning through fun!
