Pupils of the week

As Mrs Channing is at a conference today and Year Six are not in school, our celebration assembly will take place on Monday when children will be awarded their certificates!

Ruby Norman
Laurel Shepherd
Aria Nicholls
Freya Christensen
Nelly Minnitt
Max Bennett
Abigail Wright
Alfie Bradshaw
Izzy West
Felix Lambert

This week, our assemblies have been about transition and moving on. As we move through each stage of our lives, it's important that we reflect upon who we are and what we have learned, as well as thinking about our hopes and dreams for the future. It's also important that we see change as exciting, even though we know that it may feel rather daunting.

I hope that everyone has enjoyed their experiences in their new classes this week and that they have made new friendships. I also hope that, even though we still have a while to go until we break up, everyone is looking forward to September - I know I am!

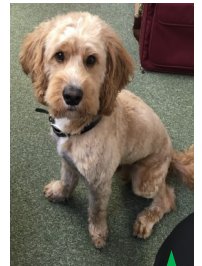

Mrs Channing 😊

We love to celebrate children's achievements!

We love to hear about children's achievements outside of school. If your child has gained a medal, certificate, rosette or special recognition for something they have done, they are welcome to tell us all about it during our Friday celebration assembly. If they are unable to tell us themselves, or feel too shy to stand up in assembly, please let their class teacher know via email and we'll share their news on their behalf!

Why is Toby feeling proud?

Toby heard that his very own song had been performed by our super choir on Monday (you may find the words to this on our website). The choir joined 190 children from the Enquire Learning Trust in a singing event at the Princess Alexandra Auditorium in Yarm. As well as singing joint songs with children from ten other schools, they sang 'Plastic Soup', a song all about plastic in our oceans. I can't wait for our choir to take part in next year's singing event!

Holiday fun!

There is information on Teams regarding Yorkshire Arboretum summer events. Libraries across North Yorkshire will also be running the Summer Reading Challenge for children aged four to eleven years. Mark Shimwell will be running holiday camps in Stokesley and at Roseberry throughout the summer holiday, too. Please see the letter that was sent home this week for details!

Home discussion question Stan asked...

If trees could talk, what do you think they would say?

Live information session for parents

On 19th July from 4pm - 5pm, our fabulous Educational Psychologist will be delivering a live information session for parents on how to manage children's challenging behaviour. This will be delivered via our Home and School Learning Partners Teams channel. Just log into Teams, select the channel and join the meeting!

Clearing out to help out!

Thank you to everyone who donated unwanted items to our Bags2school collection, which will raise much needed funds for our school!

Act of Kindness

This week's award goes to Mrs Hagan for saving a poorly bee that needed sugar water to survive! It also goes to Sophia Easton for being kind and caring towards younger children.

D.F Motors

Motor engineers Est 1965 A family business that cares

*Free pick up and delivery *Service and pre-MOT for all types of vehicle, including hybrid and electric cars
*Approved auto-diagnosis centre *Ford and Peugeot parts always in stock *Specialists in VW, Audi and Skoda servicing
*Tyres, batteries, exhausts etc supplied *Bosch air conditioning specialist

Station Yard, Great Ayton, TS9 6HJ 01642 722106 www.dfmotors.net

HUGE thanks to Ross Grimbley for helping our office staff with lots of jobs this week!

An important milestone in our Year Six children's school life

This week, the majority of our Y6 children spent three days at Stokesley School as part of their transition programme. Well done to all of them for being brave in taking the next important step on their learning journey.

Swimming success

Last Friday, Joe Dumphy-Brook brought his swimming medals into assembly for us all to see. He had ten in total! Well done, Joe!

Preparing for September

Yesterday and today, we welcomed new children into our Roseberry family as children moved into their new classes to see what life will be like in September.

Their teachers were very impressed by everyone's behaviour, manners and attitude to learning. The children have already produced some super work which will be displayed in their classrooms for when they return in September. We understand that moving to a new class may be daunting for children. If, following transition visits to classes, you feel your child needs additional reassurance for what September will bring, please let us know.

SATs results

On Tuesday morning, we received our Y6 SATs results which were, sadly, lower than we had predicted. We must remember that SATs are a snapshot of children's learning. They do not measure the fabulous work children produce day in, day out, or what beautiful people they have grown to be. Success is so much more than figures and I am proud of every member of our school family and all that they have achieved.

Lunchtime Award

This week's award goes to Alex Healy Dufosse-Belton and Elsie-Jo Lindo for their lovely manners!

No phones policy

Please remember that children are not allowed to bring their mobile phones into school. If they are found to have a phone with them, the phone will be kept in Mrs Channing's office until bedtime. Please note that we will not accept responsibility for any phones brought onto site.

Lost Property

Please encourage your child to look in the lost property baskets to find any items that may belong to them. Any clothing that's not labelled with children's names and not claimed at the end of term will be washed for resale or donated to charity. Thank you!

Extra Curricular Clubs

Choir (free) Y1-6 (please note that Y1 are able to join choir)	Monday Lunch time (12.15-12.45 lower hall) Mrs Channing
Learn to play the ocarina (free) Y5/6	Tuesday Lunch time (12.00 – 12.30) Mrs Weyell
