Well, we have almost reached the end of another amazing year of learning. I always feel proud of our Roseberry family, but I have never felt as proud as I do now. Reflecting upon what we have achieved this year, I feel blessed to work with such an amazing group of dedicated, compassionate and caring professionals. I feel privileged to know, and care for, the children and adults of our school family and cannot wait until we are together again after the holidays.

Saying farewell and good luck

On Tuesday, we say farewell to two special members of our Roseberry family, Miss Sherwood and Mrs Rice. Miss Sherwood, a lovely teacher who covered Mrs Davies' maternity leave, has secured a teaching position at Stokesley Primary Academy. We thank her for all that she has done for our children and wish her congratulations and best wishes for the future - her new class is very lucky, indeed! Mrs Rice, our fabulous Business Manager, has shared her time between us and Stokesley Primary Academy. However, Enquire Learning Trust leaders have decided that from September, she will work solely at Stokesley. We will be really sad to see Mrs Rice go and I know that we will miss her knowledge, kindness and humour. We offer heartfelt thanks to Miss Sherwood and Mrs Rice for their dedication and commitment to our children and remind them that they will always be valued members of our Roseberry family.

A message to our Year Six leavers

Next Tuesday will be a day of mixed emotions, as we say farewell and good luck to our Year Six children. Sometimes, you will find life difficult. When you are in a situation where you feel lonely or out of your depth, remember that you are the most special thing in the world and that you are loved. Anyone who truly believes they are loved will tackle anything and find an inner strength. You are never really alone if someone loves you. Try to stay positive, even if things are tough. Never forget to look at the trees, listen to the birds and smell freshly cut grass. Look for the 'wow' things in life and remember to stop and just 'be' sometimes. Remember that life is not measured by the breaths we take, but by the moments that take our breath away. Thank you to every member of our school community, whatever their role, who has worked so hard, giving 100% tirelessly to make this year a success and for guiding these children throughout their learning journeys and helping them to grow. Thank you to children who have represented our school, been on the school council and Global Council, been monitors and buddies and carried out various duties with enthusiasm. Thank you for working hard and for being fun – you have been lovely to work with and will be missed!

Children, confront your worries about moving to a new school and have confidence to believe in yourselves.

Keep yourselves safe and strong on the pathway ahead.

Remember all the teachers and adults at home and at school who have guided you successfully to this point in your lives and repay that help by going on to still greater success in the future.

May the smile on your face come straight from your heart!

Summer Reading Challenge

Children may, once again, sign up for the Summer Reading Challenge at their local library during the holidays. The challenge for children is to read six library books of their choice and collect special prizes along the way. Any child aged 4 to 11 may join in and everyone who finishes will receive a medal and a certificate.

There will also be a fantastic programme of activities in libraries all summer, many of them free of charge.

Extra Curricular Clubs

The only club that will be running next week is choir (12.15pm on Monday).

Thank you!

On behalf of staff, children and governors, I would like to say a **MASSIVE** thank you to everyone who has selflessly given their time to support our children throughout the year. We have many adults who support us in a variety of ways, from fundraising to helping children with learning. They're valued members of our family and we look forward to seeing them again in September.

Act of Kindness

This week's award goes to Skylah Smith and Frankie Russell for their donations of lovely books and games. It also goes to Frankie Livingstone, Harley Austick, Dylan Wilkinson and Alfie Bradshaw for being kind, to Mrs Weyell's class for looking after her when she lost her voice and to everyone who has donated used uniform to school!

We love to celebrate children's achievements!

On Monday, members of the Stokesley Under 11s football team brought in their medals and trophies to show in assembly. The Brownies also came up to talk to the school about their Brownie camp adventures at PGL. They had a great time trying new activities, facing their fears and working together.

Lunchtime Award

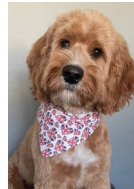

This week our lunchtime award goes to all of our amazing lunch time staff who work their socks off in all weathers to keep our children safe, happy and fed!

Congratulations to our lovely Family Mentor, Lesley, for completing Lego therapy training! We know that she will use all that she has learned to help support children when they feel wobbly or worried.

Toby says, 'Don't forget, we break up next Tuesday 25th July. I hope you all have an amazing holiday, everyone! Please be safe online and whilst out playing.' You are very precious!

An outstanding performance!

On Tuesday, Year Six children visited Stokesley School to see an AMAZING performance of We Will Rock You. It was great for our children to be inspired by older peers, including many ex-Roseberry students. Congratulations to the staff and pupils of Stokesley School for a fabulous, professionally performed, production!
