## **Home discussion question**

**Stan asked...**How can  
we show our friends and  
family that we care for  
them without buying  
gifts?

*I have been delighted to see excellent learning behaviours in classes this week. Children have been focussed and have tried to produce their best work - they know that their teachers will settle for nothing but their best! The homework projects that have been brought into school have been of a very high quality, indeed. Well done, children, and thank you to adults at home who have encouraged and supported children with learning at home. I have seen lots of children caring for one another at the start of the day and during break and lunch times - this has been a joy to see. We are so lucky to belong to such a special school family.*

*Mrs Channing*

## **Lunchtime Award**

This week our  
lunchtime award  
goes to  
Georgie Langan  
and Samuel Dunn.  
Well done, boys!

## **Act of Kindness Award**

This week's award goes to Ella Pearson,  
Pippa Rowan, Jacob Delaney and  
Ivy Buckeridge for the care and compassion they have  
shown towards others this week.  
Nilah Galloway also receives the award for sorting out  
lots of her toys to give to a child that she heard about  
who had very few toys to play with. She did this  
without being asked to do so. How very thoughtful!

## **Watch out! There's a bug about!**

Lots of our school family members have been poorly with a sickness bug this week and we have had three cases of impetigo. Our cleaning team has been informed and asked to carry out a deeper clean of our school.

Please remember to wash your hands after going to the toilet and before eating, children!

Although we promote excellent attendance, if children are sick or have diarrhoea, please ensure that they stay away from school for 48 hours after the last bout of sickness so that we may try to prevent the spread of infection. Thank you!

## **A lucky escape!**

On Thursday morning, a group of children on scooters were very lucky not to be involved in a collision with a car. One child was riding his scooter in the middle of the road and two others rode at speed straight off the pavement and into the road without looking. Two cars had to brake suddenly to avoid hitting the children. Children - if you are on a bike or a scooter, PLEASE do not ride in the middle of the road and PLEASE stop and look before crossing the road.

You are very precious!

### Free training for parents!

On 16th October from 2pm - 3pm, our new Educational Psychologist will be delivering a FREE training session for parents on Precision Teaching - an easy way of helping children with their learning at home. Precision Teaching takes ten minutes per day and has been proven to have great results!

The session will take place in school but will be informal as well as informative!

We recognise that due to other commitments, some parents will not be able to attend and so a video will also be created for parents to access online.

### Harvest news!

Our Harvest assembly will take place on Friday 27th October at 9.15am. We will live stream this on our Teams Assembly channel for families to see as, sadly, we don't have a hall large enough to accommodate everyone!

We will be most grateful to receive donations of food (tins and packets) or flowers at the start of the school day on 27th October.

Mrs Murton will take children to deliver the flowers to Fry Court residents during the afternoon of the 27th October and Middlesbrough Food Bank will collect the food donations.

Thank you in anticipation of your support.

If you achieve something special outside of school, we'd love to hear about it during our Friday assembly, children!

Remember - our Breakfast Club runs every day in the upper school hall from 7.30am to 8.45am. £4 per session, payable via the My Child At School app and no need to book in advance!

We have quality used uniform for sale at bargain prices. Please email [v.maylard@roseberryacademy.org](mailto:v.maylard@roseberryacademy.org) for details!

### What has Toby seen this week?

Toby has seen some fabulous PE sessions this week! He was amazed at how well our youngest children managed to listen to, and follow, instructions. He was delighted to see our older children learning and practising rugby skills and was very impressed at how sensible children were during their mindfulness session - something the children really enjoy. During REALtime, Mrs Murton has been teaching traditional playground games, so Toby will be on the lookout to see some of those in action on the playground during break times!

### After School Clubs

If you would like to run a club and are happy to have a DBS clearance check, please let Mrs Channing know! We'd love someone to run a football team for us!

### Attendance

Please remember that we are unable to authorise holidays taken during term time. We know that in order for children to make progress with their learning and develop friendships, they need to be in school every day!

### Communication is key!

Please remember that we communicate with parents through Microsoft Teams class pages and the My Child At School app. Setting up notifications on your device will ensure that you know when we have sent you a message. Messages range from informing you that your child has had a bumped head to a club being cancelled!
