Enjoy Believe Achieve Inspiring Lifelong Learning

## Pupils of the week

Tommy Holiday  
Michael Pentland  
Elsie Black  
Dylan Long  
Harry  
Hockney- Bainbridge  
Jake Dumphy-Brook  
Harriet Tann  
Kai Harland  
Hudson Blair  
Hanni Fussey

**Please remember that  
school starts at  
8.45am!**

## **Home discussion question**

**Stan asked...**

*Have you made  
someone feel good  
about themselves this  
week?*

*It's been lovely to be back in school this week - I had really missed our Roseberry family whilst at home with Covid! Thank you to our super Vice Principal, Mrs Murton, for leading our school in my absence and to our fabulous staff who supported her.  
I have thoroughly enjoyed seeing the wonderful learning that has been taking place in school this week - children and adults have been very busy, indeed! Our new maths curriculum, based upon the work of the National Centre for Excellence in the Teaching of Mathematics (NECTM), is now well under way and children are enjoying the structure and challenge that have been implemented with this new approach to the teaching of maths. Mrs Channing 😊*

The Summer Reading Challenge certificates have arrived!  
Well done to everyone who took part this year!

## **Lovely manners!**

It has been a delight to hear children using lovely manners this week. Each morning, whilst on gate duty, children have responded with 'I'm very well thank you, how are you?' when I have asked how they are feeling. A few simple words can make someone's day!

## **Act of Kindness Award**

This week's award goes to Bella Castro Peacock for looking after a younger child. It also goes to Lilly-Mae Parker who found a £5 note on the ground and managed to find who owned it so that she could return it. What a kind thing to do!  
Guinevere McManus' Grandma deserves a mention for her kind donation of lovely new books and coloured pencils, as does Donika Kimbunga's mum for donating beautiful bookmarks and key rings that she has made in her spare time. Thank you!

## **Lunchtime Award**

This week's award goes to Elyssa Hayward, who can often be heard thanking the kitchen staff for her lunch, telling them how much she has enjoyed it.

## **How safe are your children online?**

In school, we have filtering and monitoring systems in place to ensure that online content is screened and, when necessary, blocked. The world of technology evolves very quickly, indeed, and it is sometimes hard to keep up with new developments. Our Online Safety expert, Alan MacKenzie has, once again, produced some useful videos for parents, the first of which I shared via a My Child At School email on Wednesday. I know that many parents found these really useful last year. Why not take a look?

## **D.F Motors**

**Motor engineers Est 1965 A family business that cares**

\*Free pick up and delivery \*Service and pre-MOT for all types of vehicle, including hybrid and electric cars  
\*Approved auto-diagnosis centre \*Ford and Peugeot parts always in stock \*Specialists in VW, Audi and Skoda servicing  
\*Tyres, batteries, exhausts etc supplied \*Bosch air conditioning specialist

Station Yard, Great Ayton, TS9 6HJ 01642 722106 [www.dfmotors.net](http://www.dfmotors.net)

### Free training for parents!

There are still spaces on our FREE training session for parents which will be delivered in school by our new Educational Psychologist on 16th October from 2pm - 3pm. Precision Teaching is an easy way of helping children with their learning at home. It takes ten minutes per day and has been proven to have great results! The session will take place in school but will be informal as well as informative.

Please email

office@roseberryacademy.org  
to book your place.

We recognise that due to other commitments, some parents will not be able to attend and so a video will also be created for parents to access online.

Please note that Roseberry Kids' Club operating hours are now from 3.10pm - 5.10pm. They operate from Monday to Friday during term time, providing high quality childcare.

### Harvest news!

Our Harvest assembly will take place on Friday 27th October at 9.15am. We will live stream this on our Teams Assembly channel for families to see as, sadly, we don't have a hall large enough to accommodate everyone!

We will be most grateful to receive donations of food (tins and packets) or flowers at the start of the school day on 27th October.

Mrs Murton will take children to deliver the flowers to Fry Court residents during the afternoon of the 27th October and Middlesbrough Food Bank will collect the food donations.

Thank you in anticipation  
of your support.

### No Crossing Patrol

Please be aware that there will be no crossing patrol officer on duty on Newton Road until at least 20th October. Please take extra care when crossing the road, children!

### What has Toby seen this week?

Toby has been really impressed by the number of children arriving at school on time this week.

Starting school at 8.45am has taken a little bit of getting used to, but the vast majority of children are now in school by the time the register is taken, ensuring they are settled and ready to learn. Well done!

### Positive partnerships!

It was lovely to see parents and teachers chatting together during Parents' Evening this week. We pride ourselves on the positive relationships we have with parents and how well we work in partnership to enable children to be happy in school and make progress.

Following useful feedback, I will be looking into how we use the My Child At School app to share children's assessment information with parents at specific times throughout the year.

### Save the date!

The Captain Cook Schoolroom Annual Day of Sail 2023 will take place on Wednesday 1st November 2023. More details to follow!

### After School Clubs

<b>Homework Club</b> (free) Y5	<b>Monday</b> 3.10pm – 4pm Mrs Weyell
<b>Mindfulness</b> (free) EYFS - Y6	<b>Tuesday</b> 12.00 - 12.30pm Mrs Sellers
