What an amazing amount of work has been done, and it is only the first week back!

This week Nursery have made some super, blue, sparkly playdough to start their new topic 'Goodnight, sleep tight.'

In EYFS they have been learning about the composition of numbers and have started their new topic all about Day and Night.

Year 1 have had a surprise in their classroom this week. Aliens have invaded! They explored the crime scene and wrote an incident report. They then looked at the features of a poster and designed their own to tell the school about the invasion.

Year 2 have begun their 'Towers, Tunnels and Turrets' history topic and have enjoyed a virtual tour of Goodrich Castle to learn more about their features. They have also created their own 'Coats of Arms' adding pictures to represent things which are symbolic and important to them.

This week Years 3 and 4 have started learning all about the Stone Age, they drew their own cave paintings in English and made a Stone Age timeline in topic.

Years 5 and 6 kicked off their 'Beast Creator' topic with a hunt for mini beasts in the school grounds. They mapped and identified the different types of invertebrates they found. They recorded the results and interpreted the data to form conclusions.

Wow!

RAFT NEEDS YOU!

RAFT do an amazing job every year fundraising so that your children can have extra enrichment resources and to ensure trips are more affordable. However, this does not all happen by magic and we need more volunteers. Some of the current committee are looking to step down at the end of the year and if we do not have new members, there will be no more RAFT... This will be incredibly sad because they are an essential part of the Roseberry family. Please help! If you think you would be able to help in any way, large or small, or you would like more information, please email RAFT on:

Spelling News!

This half term, we are trialling a new spelling scheme which is a systematic, phonics-based spelling scheme for years 2-6 and its focus is on the etymology of words, which engages children in the origins of language. It is for this reason that spelling tests will not happen for this half term. At home, we would like children to focus on the statutory list for their year group and a copy of these will be sent home for you to work your way through.

Many thanks for your support.

Messages range from informing you that your child has had a bumped head to a club being cancelled!
