## What has been happening this week?

*This week Nursery had lots of fun at their pyjama party, they played party games, had some yummy hot chocolate and biscuits and read some of their favourite bedtime stories!*

*EYFS have had a lovely end to their topic of Night & Day by having a Pyjama Party. In phonics they have been reading words and matching them to the correct pictures and in Maths they have been ordering numbers to 10.*

*Year 1 have been getting sticky and creative by using paper mâché to create a planet shape. They will be ready for painting next week!*

*Year 2 have been locating and discovering amazing towers from around the world. They have also been utilising a range of building materials to create their own tall structures, including making ones that had to be strong enough to support their own weight using marshmallows and dry spaghetti.*

*This week Years 3 and 4 have tried really hard during test week. They have also learned about different types of seed dispersal in science.*

*Years 5 and 6 have been researching the world's most deadly creatures - many of which are surprising tiny invertebrates! The effects of their bites and stings can be horrific - avoid tsetse flies, botflies and mosquitos. They have also been improving their sketching skills before producing detailed sketches of flies and beetles, inspired by those recorded by Charles Darwin on his travels to previously unknown parts of the world.*

*Mrs Murton*

Please remember that  
school starts at  
8.45am!

### School uniform and PE

Polite reminder regarding what your child should wear on the day they do PE.

They need to come to school wearing their PE uniform. This will be:

- plain black joggers (no fashion wear),
- PE top (either white or their team colour of red, blue, green or yellow),
- school jumper or cardigan
- trainers in the winter

Earrings will need to be taken out before school and long haired tied up.

Thank you!

Alfie Goodman created a Lego set at the Great Ayton Discovery Centre during the 6 weeks holidays and was entered into a Lego competition by the library.

He has been informed that Rishi Sunak had visited the Discovery Centre and pointed out Alfie's build and asked to take a look at it. According to the library he was very impressed! Alfie is over the moon and wanted to share this news!

Well done Alfie!

If you achieve something special outside of school, we'd love to hear about it during our Friday assembly, children!

Remember - our Breakfast Club runs every day in the upper school hall from 7.30am to 8.45am. £4 per session, payable via the My Child At School app and no need to book in advance!

We have quality used uniform for sale at bargain prices. Please email [v.maylard@roseberryacademy.org](mailto:v.maylard@roseberryacademy.org) for details!
