

Roseberry Academy **School Sports Premium** **2019/20 Review and 2020-21 Plan**

Vision: All children leave our academy physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. All children leave at the end of KS2 being able to swim 25m unaided and have the skills to self save. *NB Due to lockdown, swimming lessons did not take place and so there is no data available regarding the percentage of Year Six children able to swim 25m unaided.*

As the school was closed for the Summer Term due to Covid, the objectives will remain the same for 2020/21.

Objective: To achieve self sustaining improvement in the quality of PE and sport in our academy against 4 key indicators:

1. The engagement of all pupils in regular physical activity- promoting healthy active lifestyles and positive mental health
2. Increasing the number of children accessing a range of after school sporting provision, ensuring a closing of the gender gap within specific sports
3. The profile of PE and sport being raised across the school with the introduction of recognised awards, as a tool for whole school improvement and developing positive mental health
4. Continued increase in participation in competitive sport

Total Funding allocated:

2019/20: £17910 + carry forward of £510 from 2018/19 = £18420

2020/21: £18,120 (estimate based upon final 2019/20 allocation) + carry forward of £3,039 from 2019/20 = £21,159

2019/20 Review			
Key Outcome Indicator	Academy focus/ actions	Funding	Impact
The engagement of <i>all</i> pupils in regular physical activity- promoting healthy active lifestyles and positive mental health	<p>Employment of qualified sports teacher to write whole school PE curriculum plan (including children working towards national awards in athletics and gymnastics) and train school staff in the delivery and assessment of sport in school, thus raising standards and creating sustainability of high quality provision. Staff are trained in supporting children with additional needs and are able to effectively differentiate lessons and after school sports clubs to ensure that <i>all</i> children are able to achieve.</p> <p>Family Mentor to support specific children with SEND during PE sessions to enable access for all</p>	<p>£10,438</p> <p>£400 Planning release time</p> <p>£944 1 hour per week x 39 weeks</p> <p><i>(NB 13 weeks of lockdown= £315 carry forward)</i></p>	<p>There is now a whole school curriculum plan in place, which clearly outlines skills progression throughout the school. This has raised standards in the delivery and assessment of PE across the school by Key staff. Lessons have been clearly differentiated, and support staff deployed effectively, to meet the needs of all children, including those with additional needs. The national awards programme needs to be delivered in 2020/21.</p>
Increasing the number of children accessing a range of after school sporting provision, ensuring a	<p>To continue to offer girls positive sports role models to increase girls' active involvement in PE.</p> <p>To fund a member of staff to run a girls' football team after school</p>	<p>£500 1 hour per week x 39 weeks</p>	<p>Girls have positive role models in PE through teachers and Teaching Assistants who deliver the curriculum and</p>

closing of the gender gap within specific sports		<i>Carry forward</i>	female sports coaches who deliver extra curricular clubs. The after school girls' football team is still to be developed.
The profile of PE and sport being raised across the school with the introduction of recognised awards, as a tool for whole school improvement and developing positive mental health	<p>Continue to provide and update play equipment to encourage children to be active during break time</p> <p>Children in Year Six to access swimming lessons, with transport to and from swimming venue.</p> <p>Children to take part in sports award schemes with school funding two badges per child</p>	<p>£1000</p> <p>£630 <i>Carry forward</i></p> <p>£674 <i>Carry forward</i></p> <p>£920 <i>Carry forward</i></p>	<p>Children are more active at break and lunch time and this has impacted upon behaviour and positive mental health. Sports awards and swimming were not carried out due to school closure.</p>
To engage children in physical and risk taking activities in a safe environment	School staff released to enable them to support Year Six children in a range of high quality sporting experiences – surfing, kayaking, climbing, abseiling etc	£1900 to provide cover for school staff to accompany Year Six children on their residential visit to East Barnby (9 days supply)	The residential visit in Sept 2019 had a positive impact upon children's self esteem and mental health which, in turn, impacted positively upon their resilience to tackle new learning in class.
Continued increase in participation in competitive sport	<p>Children of all abilities across the school from EYFS to Y6 to take part in inter schools' sports competitions and tournaments throughout the year, with funding used to provide transport to enable children to attend.</p> <p>Cover for key personnel to attend meetings to work with local Enquire Learning Trust Cluster schools and Local Authority cluster schools to take part in a range of inter schools' competitions and events.</p>	<p>£700</p> <p>After school football team £39 per session x 26 weeks with additional pm session for KS1 sport included (change to plan)</p> <p>£300 <i>used for overspend above</i></p>	Interschools' competitions and Sports Day did not take place due to closure, although the school football team played some matches against other schools pre-lockdown.

2020/21 Plan		
Key Outcome Indicator	Academy focus/ actions	Funding
The engagement of <i>all</i> pupils in regular physical activity- promoting healthy active lifestyles and positive mental health	<p>Employment of qualified sports teacher to write whole school PE curriculum plan (including children working towards national awards in athletics and gymnastics) and continue to train school staff in the delivery and assessment of sport in school, thus raising standards and creating sustainability of high quality provision. Staff are trained in supporting children with additional needs and are able to effectively differentiate lessons and after school sports clubs to ensure that <i>all</i> children are able to achieve.</p> <p>Family Mentor to support specific children with SEND / Social and emotional needs during PE sessions to enable access for all.</p> <p>Bikeability Scheme for Y6 children</p>	<p>£10,800</p> <p>£400 Planning release time</p> <p>£944 1 hour per week x 39 weeks</p> <p>£500</p>
Increasing the number of children accessing a range of after school sporting provision, ensuring a closing of the gender gap within specific sports	<p>To continue to offer girls positive sports role models to increase girls' active involvement in PE.</p> <p>To fund a member of staff to run a girls' football team after school</p>	<p>£500 1 hour per week x 39 weeks</p>
The profile of PE and sport being raised across the school with the introduction of recognised awards, as a tool for whole school improvement and developing positive mental health	<p>Continue to provide and update play equipment to encourage children to be active during break time, including fixed play equipment for the upper playground</p> <p>Children in Year Six to access swimming lessons, with transport to and from swimming venue.</p>	<p>£3000</p> <p>£630 based upon last year's figure, but this may increase</p> <p>£690</p>

	Children to take part in sports award schemes with school funding three badges per child	£976 (£6 per child Y3 £264, Y4 £240, Y5 £186, Y6 £270 4 x £4 postage)
To engage children in physical and risk taking activities in a safe environment	School staff released to enable them to support Year Six children in a range of high quality sporting experiences – surfing, kayaking, climbing, abseiling etc	£2500 to provide cover for school staff to accompany Year Six children on their residential visit to East Barnby (10 days supply)
NB The objective of continued increase in participation in competitive sport will only be possible within group bubbles this academic year due to Covid restrictions. There will be no cost for this.		
Total planned expenditure = £20,940 (£219 underspend for possible swimming cost increase)
