*Congratulations to all of the children who won prizes at Stokesley Show. We had four first prizes, two second prizes, three third prizes and four Very Highly Commended awards. Thank you to Mrs Murton, Mr Murton and their children for displaying the children's work in their own time!*

*On Thursday, Isobel and Lucas took up their posts of Pupil Ambassadors and went with Mrs Murton to Easterside Academy to meet with children who attend academies within the Enquire Learning Trust. Throughout the year they will explore great practice in other schools and feed back what they have seen and learned to staff and Governors. It's great to learn from one another - we can't wait for the Trust Pupil Ambassadors to visit Roseberry! Mrs Channing*

## Unwelcome visitors!

We've had some unwelcome visitors at Roseberry this week - headlice! Please make sure that you check your child's hair regularly and treat any infestation as necessary. Your local pharmacist will be able to advise you of how best to eradicate them. Children do not have to stay away from school if they have headlice, but we do expect them to have been treated, please!

## RAFT update!

We had a great RAFT AGM on Monday evening, which was really well attended. We thanked Sarah Tate as she stepped down from the role of Chairperson and were delighted that Ceri Tate agreed to take on the role of Chairperson - I know that she will be well supported by her Vice Chairperson, Mrs Sharman, and new named Officers and committee members. At the next RAFT meeting, to be held on Monday 15th October at 6pm in the Lower School staffroom, we will be discussing future fundraising events. We will also be deciding upon how the money raised will be spent. In addition to the things that we provide annually (£10 per child towards enrichment opportunities, the bus to and from East Barnby, a contribution towards the text service, book bags for new starters to name but a few) we have considered enhancing the outdoor environment, including the Year One courtyard area, and the provision of new stage lights. If you have any ideas, we'd love to hear them. Why not come along to our next meeting? You'll be made to feel very welcome, indeed!

## A wonderful day in Whitby!

Children in Years One and Two had a great visit to Whitby on Thursday. They learned lots of new facts about lifeboats and their behaviour was super. I'm sure your experience will help you with your learning back at school, children. Well done for making the grown ups feel proud!

Thank you to our volunteers who made the visit possible.

## Home discussion question

**Stan asked... Why do the leaves on trees change colour during Autumn?**
