

HUGE thanks to Harry Wright - he's donated £60 of his savings towards the purchase of an outdoor defibrillator box. What a kind and generous boy!

Roseberry Academy News

Pupils of the week

Charlotte Kay

What a great week! Year Three had a fabulous time at the Ryedale Folk Museum - thank you to the adults who made this possible. Tom Burke Academy coaches ran a superb Inter-school team sports event, with Yellow team victorious! Well done! It was lovely to see such an amazing array of flowers and food for our Harvest and to share our assembly with so many members of our school family. Thank you to everyone who helped children deliver flowers around the village and to Mrs Dawson for organising this! Finally, there has been some absolutely beautiful work produced during our Science, Art and Writing week. I hope you managed to come along to see it in the lower school hall today! I wish you all a very happy holiday! Mrs Channing

Tom Burke Academy will be running holiday clubs at Roseberry next Monday, Tuesday and Wednesday £12 per day or £30 for 3 days.

Helping our children to grow...

I am really proud of our youngest children who line up on the playground sensibly each day. Now that everyone has settled into their new classes and grown in confidence, it's time to change our morning procedure. May I politely request that after the half term holiday, when the whistle is blown at 8.55am, parents and carers move from the playground to the path behind the green metal fence so that children line up independently. This will enable children to practise their super listening skills when the staff member on duty speaks to them before they go into school. I'm sure everyone will feel really proud seeing their children line up independently!

Love in a box

If you wish to donate a box of presents, please take it to Christ Church on 4th November, or bring it into school on 5th November. Further details of what may be included can be found on the flier your child brought home. Thank you!

Uniform Update

Great news - our new uniform supplier is now ready to receive uniform orders via their website:

<https://www.motif8.co.uk/schools-html/primary-schools/roseberry-academy.html>

Do you want some tips to help your child learn to spell? Come along to our Leader of Learning Parents' Spelling Workshop on 8th November from 4pm - 5pm!

Rewarding great behaviour!

We have some children in school whose behaviour is superb. In fact, it's so good that they've never missed any of their Golden Time! They try hard in class with a positive attitude to learning, they are polite and well behaved and complete their homework. They bring their reading records into school and remember their PE kits. They are kind and friendly and set a great example for other children to follow.

We have decided that these children need to be thanked and rewarded for their great behaviour. From 5th November, children who manage to keep all of their Golden Time will have a treat at the end of each half term. The December treat will be a film with popcorn! Sadly, if a child misses Golden Time, they won't be invited to take part.

If you wish to have your treat, children, remember to behave well, try hard, bring completed homework and reading records into school on time and do your best!

Keeping children safe

Did you know that grapes can be a choking hazard if given to children whole? If you are providing grapes in your child's packed lunch, please could you ensure that they are cut in half? Thank you!

Also, we have a child in school with a severe nut allergy. Please, wherever possible, could you avoid sending packed lunches into school that contain nuts? Thank you for your support!

Home discussion question

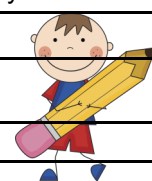

Stan asked... Why is it important

that we cross the road with the Road Crossing Patrol Officer (lollipop man)?

NOVEMBER	
5 th	Children return to school - Please remember that school meal prices increase from today.

Can you lend a hand?

 Tomorrow, Saturday 27th October, the RAFT Quad project will begin! Parents will be on site to dig out and remove the old rubber surfacing, install astro-turf and paint the walls. If you would like to lend a hand, please email RAFT@roseberryacademy.org You don’t need any experience or specialist skills, just a smile and a helping hand!
 

Thank you!

Ayton Lodge Open Day

On Saturday 3rd November 2018 from 11.00am until 3.00pm in the Women’s Institute Hall in Great Ayton, Ayton Lodge will open up their Masonic Lodge to allow anyone to look inside. The Lodge will be set up to give visitors an insight into their meetings, explain what the various Lodge Officers do and ,hopefully, dispel the myth that they are a Secret Society. Everyone will be most welcome to drop by to learn how they raise money to make donations to good causes in the local community, our school included!

We are awaiting information from East Barnby regarding their prices for next year’s Y6 residential visit before we make a booking. We are aware that we usually start planning our visit at this time of year, giving parents time to save up to meet the cost. Although nothing is booked yet, there will be a residential visit for next year’s Y6 and so parents may wish to start saving now!
