*The Autumn Term is always an exciting one, with the sound of children practising Christmas songs drifting through the corridors. The magic of Christmas will soon be upon us, with performances, parties and our annual Carol Service. What's great about Roseberry is that even though we're excited about Christmas, we don't let it impact upon our learning. This week, I've seen some super work in classes and witnessed children collaborating and supporting one another. Well done, everyone! Mrs Channing*

### Homework Club

Homework enables children to practice what they have learned in school and is an important part of children's learning. For our older children, it also prepares them for life at secondary school and encourages them to be disciplined and organised.

We understand, however, that some children struggle to get their homework done at home. They may not have a quiet place to work, they may have lots of commitments after school and at the weekend or parents may find it hard to help them when they get stuck.

Following discussions with staff and parents, Lesley has kindly offered to run a Homework Club after school, starting on Monday. She will be there to support children with their learning and offer encouragement. If your child wishes to join Homework Club, please visit the office to sign the permission form. Please note that children will not be able to access the club unless this form is signed by a parent. I look forward to seeing lots of learning going on!

Tomorrow at 10.30am, there will be a celebration event at the Stokesley Springfield Co-op store where our RAFT Chairperson, Ceri Tate, and I will receive a cheque for **£12,553.09** on behalf of RAFT. This extremely generous donation will be used, as per our original bid to the Co-op, for the development of our outdoor environment. If you'd like to join us and our RAFT committee members, we'd love to see you. Children don't need to be in school uniform - it's a casual celebration!
