*We've had another really busy week! Children have been learning through fun whilst being challenged by their teachers and teaching assistants - we love using our brains at Roseberry! It's lovely to look in children's books and see the progress they have made since September. Well done, folks! Mrs Channing*

*Congratulations to our EYFS and Key Stage One children who amazed us with their talents this week when they performed their Christmas production for their friends and families. They were very brave with superb speaking voices, singing and costumes. We were very proud of you, children. Well done! The RAFT raffle raised £197! Thanks folks!*

### What happens when we have heavy snow?

As the weather is getting colder, I thought it would be a good idea to remind you of what may happen if we have heavy snow this year. We will always try to keep the school open but sometimes, health and safety dictates that we close. For example, access to school may be too poor for emergency vehicles to reach us (the local council will not clear Roseberry Crescent), staff: pupil ratios may be affected by staff being stranded at home or the heating system may fail. In the unlikely event that our school has to remain closed, you will be informed via text as soon as a decision has been made (please ensure we have your most recent number on file) and local radio stations will be informed. When school is open during bad weather, please ensure your child comes appropriately dressed, as we adapt our learning experiences to make the most of the snow and children will be outdoors during the day!

**Does your child know the times tables off by heart?**

If children do not learn the times tables at a young age, they will find maths increasingly difficult as they move through school. Please encourage your child to learn their tables - this may be done through reciting them, singing them, working out the cost of items in shops or through using a variety of free Apps. If you find a good App, please use our blog to share your discovery with other children and parents. Learning times tables doesn't have to be boring!

Thank you to Cameron who spent his break times pumping up our new footballs. I am sure the children playing with them will be really grateful to him for giving up his time!

Please encourage children to leave toys, squishies, pencil cases and balls at home. It causes problems when children swap things and children become upset when things are lost. Thank you!

**20th December is Christmas Jumper Day!**

If your child wishes to wear their Christmas jumper instead of their school jumper on 20th December, they may pay £1 donation to do so! All proceeds from the day will go to the POSCH charity. Ho ho ho!

**Do you or does someone in your house eat, sleep and breathe the little plastic bricks?**

**Is the LEGO MASTERS build room with over 1 million bricks your idea of heaven?**

The producers of the popular Channel 4 series **LEGO MASTERS** are looking for a new bunch of imaginative building pairs to take part in a third series of the bold brick-building competition. If you think you, a family member or a friend have the creativity, skill and imagination to be crowned Britain's best amateur building team then please email [build@tuesdayschild.tv](mailto:build@tuesdayschild.tv)

Applicants must be aged 9+ by 03/02/2019 in order to take part.

If you have a message for your child's teacher, please feel free to write them a note for your child to deliver to them. This will ensure that they get your message at the start of the day. Thanks!
