Summer Fair!

If you would like to help RAFT with organising the Summer Fair, please email RAFT@roseberryacademy.org

This morning I was delighted to award reading certificates to children during our celebration assembly. I love the fact that the vast majority of children in our school family enjoy reading and share books with one another. Those children who don't like to read just haven't found the right book yet! Remember, children, we have a wealth of books in school that you may borrow and so does the Discovery Centre in Great Ayton. I wonder what you'll read this weekend? *Mrs Channing*

Heating Update

Following a site meeting on Monday, work has begun to replace a large section of corroded pipework underneath my office, the lower hall and corridor floors. The engineers are working as fast as they can and will work throughout the weekend so that our heating system is operational and we can return to normal. Thank you to everyone who has been supportive during this difficult time, to staff who have worked in challenging circumstances and to our super children for being so very grown up and sensible. I am so proud to be able to say that learning has continued despite classrooms being out of action. In the words of the Enquire Learning Trust CEO, we have smiled through adversity and continued to do brilliant work!

As soon as the heating is working (hopefully on Monday), we'll all be back in our classrooms as normal. Should there be a delay in fixing the problem, our infants will continue to travel to Stokesley Primary Academy and Mr Moore's class and Mrs Davies' class will continue to learn in the upper school.

A bedtime tip...

This week, I spoke to children about the importance of turning off mobile devices at least an hour before bedtime. This is because the light emitted from screens tricks the brain into thinking it's daytime and time to be awake, thus preventing children from getting off to sleep. Why not give it a go?

Home discussion question

Stan asked...

What would you do if someone online asked you to meet them in the park?

D.F Motors

Motor engineers Est 1965 A family business that cares

*Free pick up and delivery *Service and pre-MOT for all types of vehicle, including hybrid and electric cars *Approved auto-diagnosis centre *Ford and Peugeot parts always in stock *Specialists in VW, Audi and Skoda servicing *Tyres, batteries, exhausts etc supplied *Bosch air conditioning specialist

Fri	Mark Cromack*				
	Y1 – Y6 Football (3.00 – 4.45)				

Simon Carson Sport School After School Clubs

Today, we had a visit from one of the coaches from the Simon Carson Sport School. He told us all about the range of after school clubs that will take place after the half term holiday. Look out for the letter in your child's book bag!

There is LOADS of lost property in school. Remember to check the lost property baskets, folks!

Please remember that we need at least two emergency contact numbers on our system so that we may reach you in case of an emergency!

Restoration specialists. Resprays. Insurance work. Welding. Bodywork. Waxoyling. Free estimates.
