Children in Years One and Two had a great time cooking with Little Sprouts yesterday! They were very excited to learn about foods that keep us healthy and enjoyed preparing, cooking and eating scrumptious food!

I have been really wowed by the Strip Design work completed in Mr Moore and Mrs Davies' classes this week. The children's ability to combine ICT and literacy skills is impressive!

There has been an amazing sound coming from the hall throughout the week as children from Mrs Murton's class and Mrs Watson's class have begun to rehearse their production of 'The button box'. Their singing is beautiful!

Mrs Charlton's class has been busy writing letters from the perspective of an African tribal elder.

I can't wait to read these. Finally, I have felt very proud of our youngest children this week. Mrs

Barker's children have been writing their very own sentences - how very grown up! *Mrs Channing*

Gates update

Our security gates are now working! They will be open for access before and after school but locked during school time. If you wish to gain access, please press the button and a member of staff will let you in. Please note that the system operated from the office only releases the gate lock - you will need to push the gate (to get in) or pull it (to get out) for it to open.

Let's keep our children safe...

You will be aware from a text earlier this week about the Momo challenge which has reportedly been appearing in children's YouTube videos and caused panic and upset amongst young people. I hope you find this guide useful: <https://nationalonlinesafety.com/resources/platform-guides/momo-online-safety-guide-for-parents>

We've had unwelcome visitors in school this week - headlice!

Please check your child's head on a regular basis and speak to your local pharmacist for advice should you find some nasty creepy crawlies lurking!

Are you worried about road safety in our village?

On Monday, I was approached by a Great Ayton resident who explained that he would be meeting with our local MP to discuss his concerns about road safety in Great Ayton.

Remember - if you have concerns, you have the right to let your MP know, too!

Stan asked...

What should we do if we see something that we don't like online?
