It was very strange seeing everyone dressed in red instead of school uniform today - thank you to everyone who bought a red nose to support Comic Relief. This week, children have been putting what they have learned into practice during maths and reading assessments.

I have felt extremely proud of those children who have tried their very best and shown perseverance, even when they have found things tricky. Well done!

It has been great to see our PCSO outside school, speaking to parents about parking.

It's amazing how safely drivers park when the police are present!

Mrs Channing

William is a hero!

Last weekend, William from Year Two was with his Grandad in MacDonalds. When he noticed that his Grandad was choking, he quickly leapt into action. He remembered what he had learned in school and slapped his Grandad hard on the back, whilst calling for help. Luckily, due to William's quick thinking, his Grandad was saved. What a clever boy you are, William! You remembered what you had been taught and acted quickly. **You are a hero!**

On Thursday, the RSPCA Great Ayton branch manager, Mrs Duffill, visited school to meet with Fraser, Eve, Mia and Phoebe to talk to them about the centre and give them gifts as a thank you for their fundraising efforts! What a lovely gesture!

Breakfast club and school meals - a polite request!

We are not in a financial position to subsidise school meals or Breakfast Club. If you owe money for either of these, please ensure that your child does not attend Breakfast Club or have a school meal until debts are promptly cleared. Thank you!

RAFT Treasure Hunt fun!

Teachers are getting their fancy dress costumes ready for the annual RAFT Teacher Treasure Hunt, to be held on 1st April after school. This is a fun event where disguised teachers hide in local shop windows for children and adults to find (please note that children must be accompanied by an adult). Treasure Hunt clue sheets cost £2 each and you may buy one for the family, or one for each member of your group! Completed clue sheets will be collected at the The Oak pub (start and finish point) and entered into a prize raffle draw. Come along and have lots of fun!

Last week, Stan set Holly's riddle for you to solve.

It was: What travels the world but always stays in the corner?

The answer is: A stamp!

Home discussion question
Stan asked...

Why is it important to tell the truth?

RAFT update

We had a very productive meeting on Monday evening and were excited to hear of the playground equipment that has been purchased for our children. Plans are in place to spend the Co-op fund money on redesigning both playgrounds and quotes have been obtained from a number of companies to ensure best value. We also talked about the Summer Fair. If you would like to help RAFT with this exciting event, please email RAFT@roseberryacademy.org
