As you know, RAFT has been busy fundraising to improve our playgrounds. Our play spaces are currently rather dull and not very exciting, especially for those children who don't want to play football. Following a procurement exercise, RAFT has instructed a playground designer and spoken to him about what the children would like to incorporate into his design. RAFT has also purchased some exciting new playground games - we can't wait to use them! Thank you, RAFT!

## **Internet food for thought...**

Many of our children are confident using technology, but do we know whether they are using it safely? Does your child access the internet? Do they upload videos onto TikTok or YouTube? Do you see what they are uploading? Some children are encouraged by others to post videos or photographs of themselves in order to attract more 'likes' or followers, but do you know what the images include? Do they access the internet when they are out of your sight? Encourage your child to speak to you about what they do online, who they speak to and who their 'friends' are. Make sure that they know they can come to you if they see, hear or experience something online that they find upsetting or inappropriate. Do you ensure that your child's mobile device is out of their bedroom when it's time to go to sleep so that they are not tempted to play games late into the night, or respond to late night notifications on Apps? It's food for thought...

## **PE kit reminder!**

Please ensure that your child has their PE kit in school. We have a few spare PE kits in school for children to borrow, but children do prefer to wear their own!

## **Help is at hand for homework!**

Please remember that if your child doesn't have access to the internet, or a quiet place to do their homework, we will always allow them to do their homework during break time.

If you'd prefer them to have their break times, Lesley runs an after school homework club every Monday (apart from 1st April). Please call the school office if you wish your child to attend.

## **Home discussion question**

***Stan asked... How much screentime should children be allowed per day? What is good screentime?***

## **A reminder: RAFT Treasure Hunt fun!**

The annual RAFT Teacher Treasure Hunt is to be held on 1st April after school. Hunt clue sheets cost £2 each and completed clue sheets will be collected at the The Oak pub (start and finish point) and entered into a prize raffle draw. Come and have fun!

### Our visiting bees

This week, we have welcomed Spring and some lovely warm weather. In addition to buds and shoots, we have seen the return of the masonry bees that visit the external walls of our upper school. They visited us last year and were not a problem. We have been advised that they will not harm us if we don't go near them and that they will leave us very soon.
