I have been blown away by the standard of the project homework that I have seen during recent weeks. It's lovely to see children enthused about their learning both in and out of school. Thank you for the ongoing support of adults at home - we are proud to have you as partners in your children's learning!

Today we held our Easter assembly and it was a pleasure to share this special time with families and friends. Thank you for coming along to join us.

As we break up for Easter, I thank you for your ongoing support and wish you a happy holiday.

Mrs Channing

RAFT Treasure Hunt fun!

What a brilliant time we all had at the RAFT teacher treasure hunt on Monday after school. It was lovely to see so many families running around the village trying to solve clues and work out who was hiding behind weird and whacky disguises!

Thank you to everyone who took part: RAFT for their brilliant organisation (as always!), teachers for their sense of fun, families for entering the event, Stokesley (small) Co-op for donating crème eggs and the local businesses who welcomed us into their shops!

What a great way to bring the Great Ayton community together.

School meals from 23rd April - 24th May will cost **£50.60** in total, payable via ParentPay. Please remember that children need to bring a packed lunch if dinner payments are in arrears, until debts are cleared. Thank you!

Scarlet Fever—be aware!

Public Health England warns that at this time of year there is often an increase in the number of cases of scarlet fever. Usually a mild illness, it is highly infectious. Symptoms include a sore throat, headache and fever with a characteristic fine, pinkish or red body rash with a sandpaper feel. If signs of scarlet fever are suspected, it is important to contact local GPs or to call NHS

111. Further information on scarlet fever may be found at:

<https://www.gov.uk/government/news/parents-encouraged-to-be-aware-of-scarlet-fever-symptoms>

If you're thinking of taking up a fitness class, there will be an adults only Saturday morning Fitness Circuit Training class coming to Roseberry soon. Further details will be available after the holiday - watch this space!

Ayton Lodge Open Day - Everyone's welcome!

Saturday 6th April 11am—2pm at the Women's Institute Hall in Great Ayton

Home discussion question

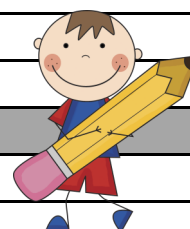

Stan asked...

Are your electronic devices set up with parental controls?
Why do you think it's important to do this?

A riddle from Stan:
What gets wetter the more it dries?
