I often spend time reflecting upon the work of our school. This week, I have been thinking about the relationships in school that make it such a positive place to learn and play. As I walk around school, the interactions between different members of our school family are a joy to see. They are special because we know each other well and we care. It really is a lovely place to be! Mrs Channing

## Bedtime stories

I think lots of people would agree that it's lovely to hear a bedtime story before settling down to sleep. As a staff, we feel that all children should have the opportunity to hear a story and so we have recorded a selection of our favourite stories for your child to enjoy, available on the 'Bedtime stories' tab on the homepage of our website, [www.roseberryacademy.org](http://www.roseberryacademy.org).

New stories will be added as time goes on, building a bank of tales that your child will be able to listen to over and over again. Sweet dreams, everyone!

## Bringing learning to life!

Children in Years One and Two had a great visit to Ryedale Folk Museum this week.

Thank you to the staff and volunteers for making this possible and to RAFT for financial assistance!

Visits really do bring the curriculum to life.

I know that the children thoroughly enjoyed their day and learned a lot!

Children in Mrs Charlton's class, Mrs Watson's class and Mrs Murton's class had a great time exploring the architecture of Great Ayton this week, to support their learning. Thank you to Mr Pearce for helping staff to plan their sessions and to the volunteers who came along to supervise the children. We have an amazing resource right on our doorstep and I'm delighted that the children got so much out of using it.

## Working together to teach important life skills...

Each day, I try to spend time with the children in the dining hall. Some children have superb table manners but others really struggle to use a knife and fork, which makes them look very different to their peers. Although we try to help them in school, some children still need to practise this important skill at home, too. Let's work together to make sure that all children master this skill by the time they leave us to go to secondary school.

*Our KS1 outdoor quad area has been transformed thanks to RAFT! We had artificial turf fitted this week and the walls and woodwork have been painted by RAFT members. Thank you - it looks great!*

Home discussion question

*Stan and Mrs Murton asked... Would you prefer to have one thousand pounds or one thousand smiles? Why?*

I am sad to announce that, after working as a Midday Supervisory Assistant at Roseberry for 23 years, Mrs Donna Bransby has decided to hang up her apron and whistle. On behalf of the Roseberry family, I wish her happiness for the future and thank her wholeheartedly for keeping our children safe and happy for so many years. Three cheers for Mrs Bransby!
