I have never felt so proud of a group of children as I did this week overseeing our Year Six children complete their SATs tests. They showed grit and determination, even when the test questions were tough. They came to school with a positive attitude and worked their socks off! Well done, children! I would like to express sincere thanks to Mr Paul Thompson, who acted as our independent observer all week, making sure that procedures specified by the Standards and Testing Agency were strictly adhered to. What a week! Phew!

Mrs Channing

MSA vacancy

Mrs Woodroffe has decided to resign from her position as Midday Supervisory Assistant to spend time with her family. On behalf of the Roseberry family, I wish to thank her for caring for our children and keeping them safe during busy lunch times.

Mrs Woodroffe's resignation means that **we have a vacancy for a Midday Supervisory Assistant position** starting as soon as possible, subject to satisfactory references and DBS clearance. If you, or anyone you know, are interested in applying for this position, please contact Mrs Channing.

Save the date!

Mr Moore's class and Mrs Davies' class performance will take place on Tuesday 9th July at 1.30pm and 6pm.

Roseberry's Got Talent!

Please note that the musical extravaganza will be an in-school event this year, rather than an after school event as shown on the school calendar. If your child would like to enter Roseberry's Got Talent (singing, dancing, performing poetry or playing a musical instrument), please look out for the letter in your child's bag that will be coming home soon!

Celebrating success and suggesting improvements!

Thank you to everyone who completed our recent survey.
The results of the survey will be in next week's newsletter!

E-Safety questionnaire

We are reviewing our E-Safety curriculum to ensure that it is tailored to the needs of our children and the context within which they learn and play. In a new E-Safety tab on each class blog page on roseberryacademy.org, you will find a short survey. We would be most grateful if you would encourage your child to complete this. Please feel free to help them, should they need some guidance.

Home discussion question

Stan asked... What have you done this week that has made you feel proud?

Setting classes for September

At this time of year, we start to set classes for September. In order to do this we consider a number of factors, such as boy/girl ratio, mix of year groups and the percentage of children with additional needs in each class. In the past, we have asked children to suggest names of friends they would like to be with. However, this has proved problematic with children changing their minds, parents being unhappy with their child's choice of friendship group and it being almost impossible to please everyone! Consequently, we have decided to set classes for September based upon our knowledge of the children's academic ability, as well as knowing the children with whom they work well. Children will be informed of their new classes once they are finalised on Friday 24th May. If you wish to meet with your child's new class teacher after the holiday, please feel free to make an appointment!
