

English

We will be reading **Young Gifted and Black** by Jamia Wilson.

We will be learning how to write:

- Persuasive adverts
- First person diaries
- Poems which explore form

Maths

We will be learning about:

- Multiplicative Relationships
- Coordinates
- Review of fractions

Science

We will be learning about **Animals including humans - Food chains.**

We will be looking at:

- What teeth do humans have and what do they do?
- How does our mouth and teeth help digestion? What's the process?

Geography

We will be learning about the **Water Cycle.**

We will be looking at:

- What is the water cycle?
- How does the water cycle work?
- What affects the water cycle?

Art/DT

We will be exploring printmaking and textiles. We will respond to the traditional designs of kente cloth. They will create a range of surfaces, combining colour, texture and pattern. Pupils will explore the symbolic significance of colour

Music

In music, we will be learning how to play the violin with our weekly whole class violin lesson.

RE

We will be learning about **Christianity.**

We will be looking at:

- Is forgiveness always possible for Christians?

PSHE

In PSHE, we will be looking at **Healthy Me.** We will be learning to talk about our feelings about our friends and friendship groups. We will be learning to recognise negative feelings in peer pressure situations and how to act.

PE

In PE, we will be learning how to play netball and we will be continuing with dance.
