Dear Families,

Changes to the in-school Breakfast and After School Club service

I am writing to you give you notice that the breakfast and afterschool club (Care Club) at Rushey Green will change contracts from the school to an external provider on 19th April 2021. The new provider will be Superkids Out of School Club. The childcare will still be held at Rushey Green and many of the current Rushey Green care club staff will continue to work in the care club.

For many years, Rushey Green has offered a subsidised care club for families. Rushey Green staff helped provide child care for many children during this time. Superkids are an OFSTED registered child care provider; the benefits of their registration are eligible parents can now apply and get help with the cost of childcare.

Please see further details from Jo Murray - Director of Superkids

Dear Parents and Guardians,

Superkids Out of School Club is incredibly happy to be selected to run the Breakfast and After School Club service in Rushey Green School. The service will continue to run in the school hall with access to the outdoor football cage area.

We have applied for Ofsted Registration and hope to start the service from Easter 2021, but this is dependent on how quickly Ofsted issues the certificate of registration.

Service and charges:

Superkids service will be available from children in Reception class to Year 6 and we aim to develop the Breakfast and After School Club by extending the choice and range of activities, reviewing the selection of healthy breakfast and afternoon snacks and arranging training for the playwork team to enhance their strengths and abilities.

The Breakfast club will open from 7.45am-9am at £5.50 per morning. Fees include a nutritious breakfast, a range of stimulating morning activities and supervision into class.

The After School Club will open from 3.15pm – 6pm at £12.00 per afternoon. Fees include collection from classrooms to the hall, a healthy afternoon snack and a range of diverse and stimulating activities including sports and art

Whilst we appreciate that these fees are higher than the Care Club, we hope that you will see value for money in the new provision. Families are encouraged to use the Gov tax-free childcare scheme or check online if they are eligible for Universal Credits which may cover up to 85% of childcare costs; especially if family/job circumstances have changed in the past year.

What happens to my child's place at the Care Club?

If your child attends the Care Club and you would like to continue their place with Superkids, please complete a Superkids Registration Form confirming the days/sessions you would like to attend. This may be different from your current sessions if your requirements have changed. All applications and places will be allocated on a first come first served basis. Please note that due to Data Protection, your current place at the Care Club cannot be automatically transferred to Superkids, so it is essential that you complete a new Registration Form to ensure continuity of your place.

If you would like to register a new child at the Breakfast or after school club, please also complete a Registration Form.

Please note that a 2-week deposit is charged for all applications. This charge is added to your first invoice and is returned to you when your child leaves Superkids, subject to notice periods and account balance.

Would you like more information?

If you would like more information about Superkids, please read the Prospectus and Terms and Conditions which are attached. The Registration form is also attached for your convenience.
