09.09.20

Dear Parents/Carers

I hope you have all had a lovely summer break - it has been lovely having all the children back and seeing them settle back so well into school life.

Today your child will bring home their login details for Purple Mash. Purple Mash will be used for all homework and for spellings across all year groups. Please keep these details safe and it is important that the children do not share these details with each other to protect their privacy. It is important that you encourage your child to complete all homework to help them with their learning as the work set links with what the children are learning in school. It helps the children to work independently, builds confidence and allows you to have an active role in your child's education. Teachers will be checking all children's homework via Purple Mash.

If you do not have access to a computer, tablet or the internet, please let the class teacher know when you drop off or pick up your child.

If you have any queries or concerns, please speak to your child's class teacher.

Yours sincerely,

Ms L Wallace  
Assistant Headteacher Key Stage 2
