

Dear Parents and Carers,

Happy New Year! It has not been the start the year that we all wanted; however, we have to have hope for the future and for now the priority is the safety and well-being of each other. I would like to take this opportunity to thank you for a couple of things.

First of all for your understanding when, at the last minute, we had to change from face to face teaching to online teaching at the start of the week. As always you have helped make the implementation of this transition smooth for everyone.

Secondly, you have mastered logging into Google Classrooms and supported your children with the navigation of online lessons and the completion of tasks. I can't thank you enough. All teachers are working hard to deliver quality learning online and this will develop over the weeks to come.

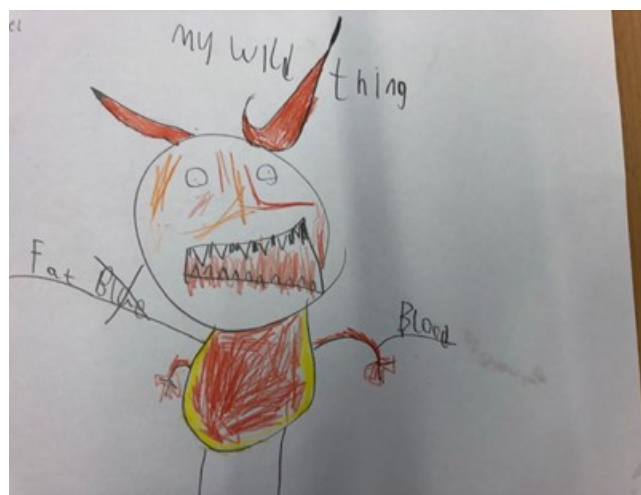

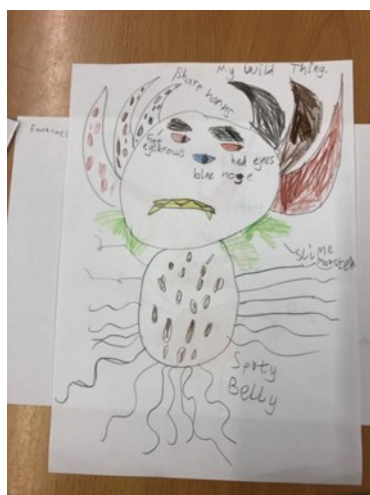

Google Classrooms

If you are still having problems accessing Google Classrooms, please email admin@rusheygreen.lewisham.sch.uk and someone will get back to you. [Click here](#) to access the help sheets for Google classrooms on our website. Remember you must log into Google Classrooms using your **child's Google Classroom email and password**.

Google Classroom

The children have been great and they have produced some wonderful examples of learning this week both online and in the classroom. Take a look at the learning in Year 1 & 2 Bubble. Children read the book 'Where the Wild Things Are' and then drew and labelled their own Wild Thing... take a look:

Specialist Teachers

Jeremiah, our new sports coach has been in taking all the children through there exercises and the children have had lots of fun. Children in year 2 have been listening to Glenn Miller through online lessons with Ms Tyler. The singing in the school is wonderful and this brightens up the day. Year 5 children watch out for your music lesson which will be posted very soon in Google Classrooms and there is more to come.

Our budding artists will be pleased to know that Ms Grace has recorded Art lessons for next week for Year 1 – 6. We have uncovered lots of talent in Art this year and I am looking forward to seeing all the children's fantastic pencil drawings.

Regards

Mr Grocock
