NURSERY BUBBLE

Nursery have been making bird feeders in Forrest School. We used cardboard tubes and string to hang them from the trees in the school playground. We have been checking on them regularly to see how much the birds have been eating. It was messy, but it was lots of fun.

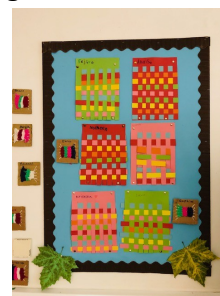

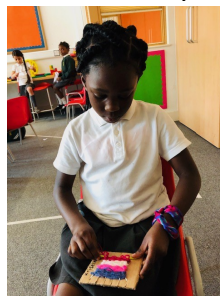

R2 BUBBLE

R2 bubble have been busy in Forest School cooking up a storm! The children were in awe of the yououky stuff they had created, by mixing water with soil. They were not afraid to get messy as they mixed, poured and scooped up the wet soil with their bare hands. To their delight, they were able to serve up delicious meals. In fact, there was ample food for everyone.

R1 BUBBLE

R1 bubble had great fun this week at forest school making there own birds nests. First they mixed some mud and water together so it was like glue. Next they looked for leaves, twigs, compost and dried grass. They then shaped their nests using the natural resources they found and held it all together with the mud glue. Once they were finished we put them in the trees and are keeping an eye out to see if any birds come and lay their eggs in them.
