17th December 2021: School finishing at 1pm for all children! Happy Holidays!

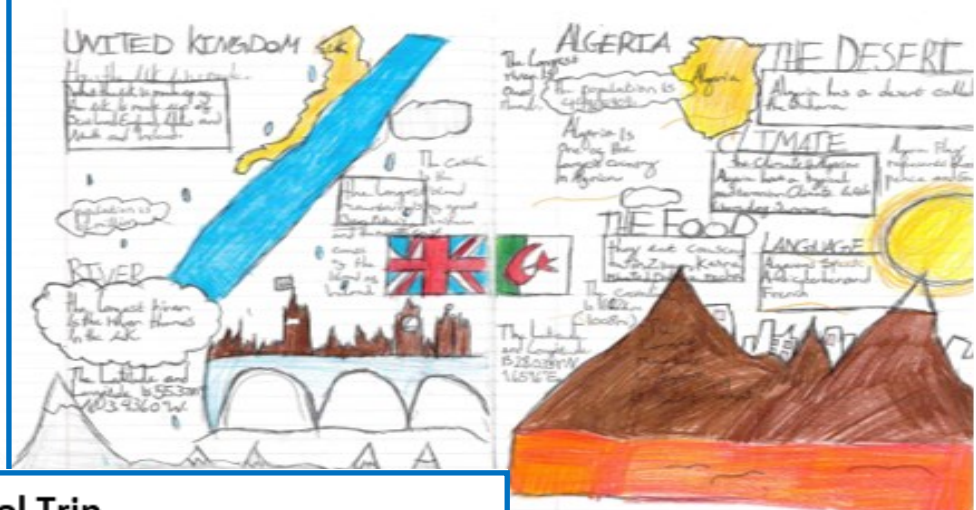

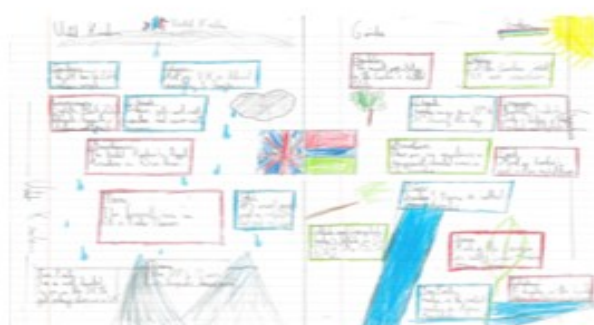

15th January 2021: Closing date for applying to start primary school 2022-2023

Cuba Class

Geography

In geography this half term, we have been exploring the question 'Where would you choose to build a city?'. To answer this, we started thinking like geographers. We have learnt about human geography and physical geography and how these impacts where people choose to live. We then started looking at a case study, where we used our knowledge of human and physical geography to compare two locations. We compare the UK to a country of our choice.

School Trip

5CU were also given the opportunity to watch a performance of Macbeth. We were kindly invited in by Sedgely Academy to watch their

performance of Macbeth. The children thoroughly enjoyed the performance and all children were great representative of the school. Don't forget to ask them all about it.

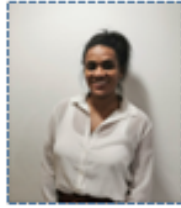

Christmas Decorating

In year 5 the children have been getting festive and creating snowflakes ready to decorate the school for the Christmas Fayre. The children persevered with the tricky design to create these beautiful hanging decorations.

SAFEGUARDING

Miss Stacey McIntosh

**Pastoral Manager &
Designated Safeguarding Lead**

If you are concerned about the safety of a child at Rushey Green Primary School, please contact our Designated Safeguarding Lead Miss Stacey or the Designated Safeguarding Governor via the School Office.

If your concern is urgent and out of school hours, please contact:
MASH: 0208 314 6660

Dear all,

Since the sad loss of Sabina, we have been overwhelmed with positive public support.

Chefs in Schools have stepped into action, to drive a media campaign to help us raise funds for a garden in her memory. <https://www.justgiving.com/crowdfunding/sabinasgarden>

We are aiming to redevelop an area in the school grounds and have this named after Sabina as a lasting memory.

The vegetable garden is now beginning to develop. We would like a flower garden and even an outdoor science classroom.

ONLINE SAFETY UPDATE

Please see our school website for our updates.

Click this link for information regarding the Netflix show squid game, please read and take note of our guidelines

**DEC 18TH
1-4PM**

Supported by Lewisham's Creative Enterprise Zone and SHAPESLewisham

Nursery Class

We have been very busy in Nursery over the festive period. For fireworks night in November we used sequins and paint to create our own fireworks scenes.

Everyone is excited as we begin to get ready for the Christmas holidays. We've been using a range of different materials and resources to decorate our Christmas stockings, and our lovely Christmas cards. Each one is different, and everyone has the opportunity to develop their own creativity when making their Christmas cards.

We've also made sure to try and make our environment as inviting as possible for the Christmas season. We've been posting Christmas cards in our Christmas post office, and also wrapping presents in our very own Santa's grotto. I think it's safe to say that we're all ready for Christmas!

Art Class

Inspired by Pablo Picasso- Cubist Portraits By Year 6

Year 6 has been studying the work of Pablo Picasso, the founder of cubism. As promised, in an earlier newsletter, here is a selection of their work. We experimented with 2D shapes, drawn by hand, to create a colourful cubist portrait. Drawing in this way has been thought provoking, experimental and challenged the children's conceptions of art. This is the first time the children have been exposed to cubism and they have produced some fantastic pieces of art.

We hope you enjoyed our Christmas Fair!

End of Term: 17th Dec 2020 - 1.00pm finish
