CUBA CLASS

On Monday, Cuba Class went to the Deptford Creek Discovery Centre to travel back in time to the Stone Age. We made shelters, drew cave paintings and ate some yummy marsh-mammoths! The children really enjoyed themselves and learned a lot more about the Stone Age.

CANADA CLASS

Christelle and her mum made this brilliant box book as part of her home learning, we are proud to share it with everyone.

WORLD BOOK DAY

On Thursday 5th of March, we had two assemblies for the pupils in Key Stages 1 and 2 to celebrate World Book Day. It was a special red carpet event hosted by Ms Wallace who made it lots of fun. All of the pupils in the school dressed up as their favourite book characters. Everyone had to say who they were and say what book they came from. Some people came from comic books, some from fiction books, some from non-fiction books and some from biographies. Everyone had so much fun!

NURSERY

The Nursery children experienced a sense of awe and wonder as they came into school dressed in their book character costumes. There was lots of fun to be had by all as they paraded around the classroom showing off their costumes. They posed for photographs and talked about their characters.

SPAIN CLASS

In our History lesson this week 5D were investigating whether interpretations of the Vikings are justified. They had to answer the following question – Were the Vikings just bloodthirsty raiders?

The children really enjoyed analysing information from a variety of sources and discussing how historians can differ in their interpretations. We addressed common misconceptions such as the Vikings wearing horns on their helmets and debated whether the Vikings could also be described as settlers.

ACTIVITY CLUBS

Please note that next week is the final week for our After school activity clubs. Please keep an eye out for the summer term club letter that will be sent home soon.

COFFEE MORNING

9am-9.45am

ENGLAND CLASS

Last week we read the book 'The Self Giant' by Oscar Wilde. We worked really hard to describe the Giant, using interesting adjectives in our expanded noun phrases.

RECEPTION

Science Week: This week in reception the children have had an amazing time during 'Science week' in the outside area. We made boats out of apples and lolly sticks to see whether they would float or sink. We learnt all about germs and how to keep our hands nice and clean and we even made up our own magic potions.

World Book Day: Last week it was World Book Day and it was great to see so many children dressed up as their favourite character in reception. We even held our own red carpet event. In the afternoon we all acted out a story around our topic on pirates and created our own class book.
