MEXICO CLASS

In English, 3M has been reading 'Where the forest meets the sea' by Jeannie Baker, as our core book. The relief collage illustrations in the book were constructed using natural materials, creating a stunning three-dimensional effect. Mexico class then re-created our own rainforests using natural resources.

Case of COVID-19:

Dear Families,

We have been advised that a person in our school has tested positive for coronavirus.

We have already notified the close contacts. If your child has NOT been identified as a close contact of the case and they do not need to self-isolate they can continue to attend school.

The government has confirmed that from the 19th July 2021 we will move to step 4 on the roadmap. This means the end to most legal restrictions for individuals, and supporting businesses to mitigate the risks of transmission.

At Rushey Green we will continue to operate in the same manner until we return to school in September. Children will remain in their class bubbles and parents and carers are encouraged to continue to take a weekly lateral flow test and report a positive case to the office immediately.

We are looking forward to our final week in school.

Next week the children can look forward to a SPANISH Day on Monday, and class parties on day chosen by their class teacher.

Jewellery/Headwear/Nail Varnish and Makeup

On health and safety grounds, we do not allow children to wear jewellery to school (except for small studs and watches). We do not allow headwear to be worn during class time or inside school buildings, except for religious or medical reasons. We also do not allow nail varnish and makeup to be worn at any time during school.

All clothing should be **clearly labelled** with your child's name. This is especially important, as uniform items look similar and can easily be confused for another child's. The school cannot accept responsibility for any lost items.

Where to buy?

Whitehall Clothiers & Bailwood Fashions Ltd. in Lewisham stock our uniform.

SENSORY SESSION

Chef Luke ran a wonderful sensory session with some of our Yr4 children this week. We picked fruit from our vegetable garden and made our very own exotic fruit kebabs.

The students learnt about nutrition, textures, smells and mouth watering flavours. Thank you Chef Luke for this exciting session!

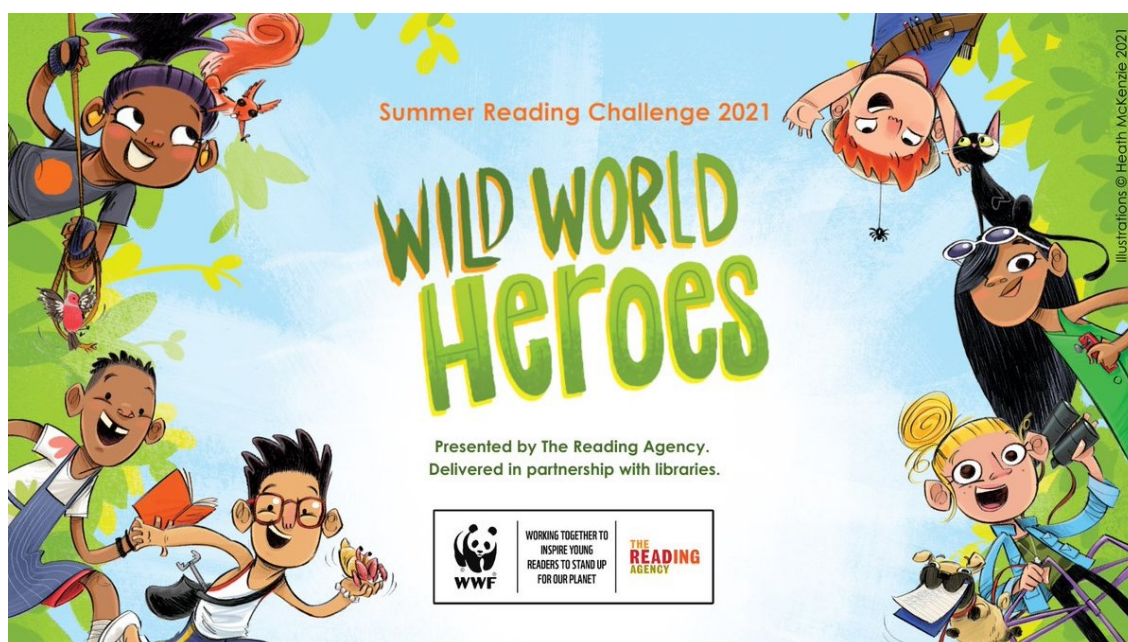

SPANISH DAY 2021

On Monday 19th July 2021 the whole school will be involved in a Spanish Day. We will be enjoying a variety of fun activities as we learn more about: art, culture, history, music, dancing, food and festivals in Spain and other Spanish speaking countries.

SUMMER READING CHALLENGE 2021

ENGLAND CLASS

England Class have been very busy over the last few weeks!

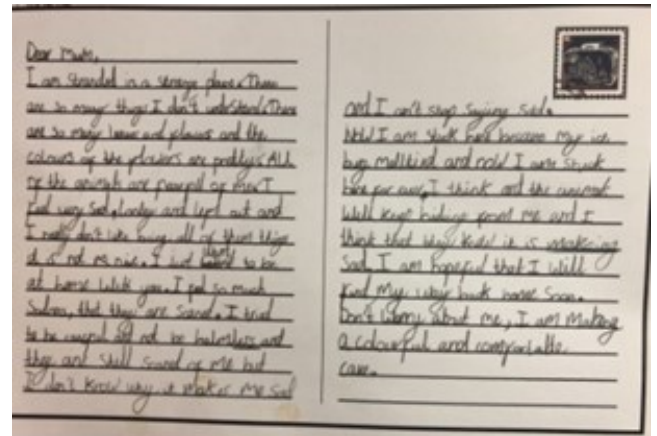

In science we have been growing new plants from old and dying plants.

We grew celery, cabbages, lettuce and some rosemary. We also grew pumpkins and flowers from seeds. We then spent some time clearing our very overgrown planter so that we could plant our experiments. He is what we have achieved so far!

In English we have been reading the book 'Leaf'. It is about a Polar Bear and the effect that climate change had on her life. He is just some of our work.

SRI LANKA CLASS

Sri Lanka Class have been reading 'Varjak' Paw by SF Said. We have been learning how to describe settings and have written about Varjak's adventure in the city for the first time. Enjoy!
