

DEAF AWARENESS WEEK #DAW2021

## Coming Through it Together

3 - 9 MAY 2021

### We're celebrating

## Deaf Awareness Week

### at Rushey Green!

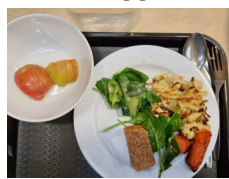

Next week, we are marking Deaf Awareness Week; a celebration of our children within the Centre for the Deaf and of how inclusive we are at Rushey Green. It's an opportunity to learn more about the Deaf community and to enjoy some fun activities as well as making sure we become more Deaf aware in our everyday lives in school. We have lots of activities planned including a competition, BSL signed stories, a police visit and even a Hearing Dog!

## LUNCH MENU

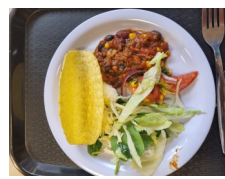

We are happy to share what our children have been eating this week:

Popeye pizza and  
potato salad

Cauliflower mac and  
cheese with crispy onions

Beef/vegetarian tacos,  
spinach salad & cheese

## AUSTRALIA CLASS

We have been very busy in Art this week. First, we bent wire into abstract shapes and attached it to a foam base. We needed to be creative and use our imagination. Next, we cut coloured card and added it to the wire sculpture. We used different strategies to develop and construct our finished sculptures. We stayed safe by wearing safety goggles throughout the process. Here are some of our sculptures:

## Volunteer Gardeners Needed

Do you have time after school to help, clear and tidy the gardens around our school. No particular skill needed just a some time to volunteer.

We will be working in small groups outside with COVID-19 measures in place.

Children are welcome  
accompanied by a parent or carer

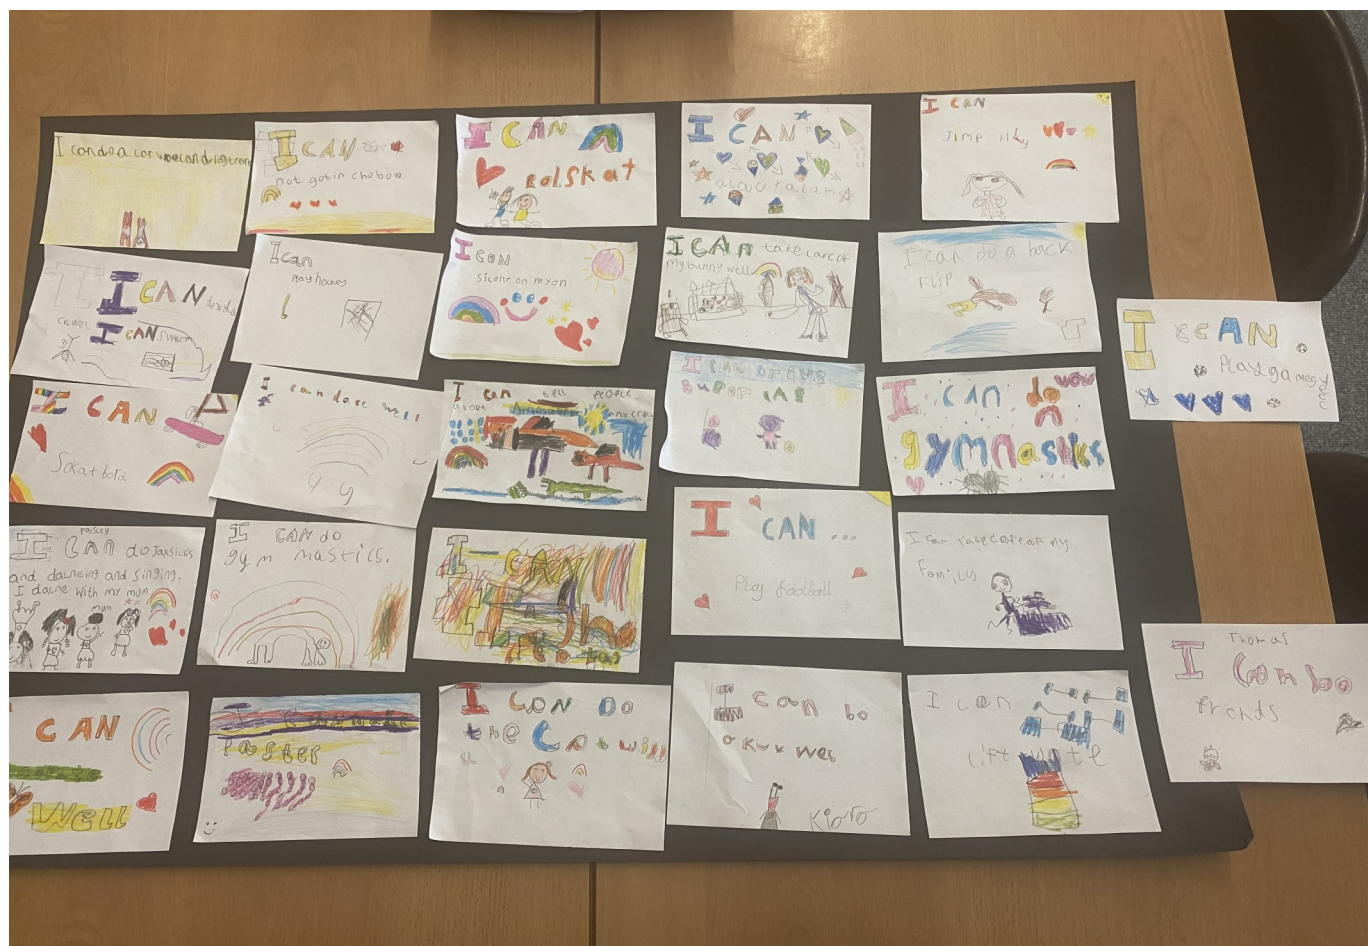

**Friday 7th May**  
**3.15pm - 4.15pm**

Meet by Culverly Road Entrance

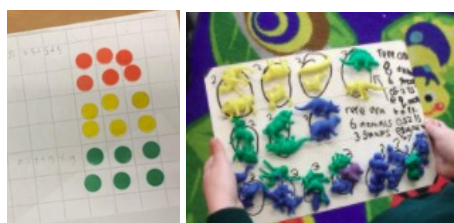

Thank You RGSA  
Light refreshments provided

School is closed on Monday, 3rd May for Bank Holiday

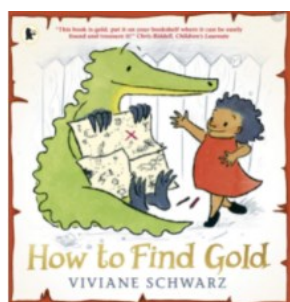

## CHINA CLASS 'I CAN' COLLAGE

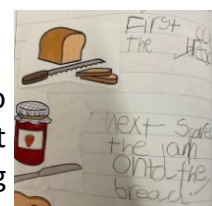

## TURKEY CLASS

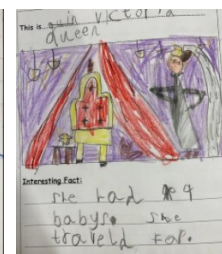

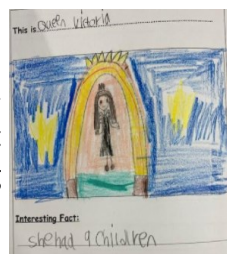

This week in Maths the children have been looking at grouping and arrays. Children created their own arrays and included a number sentence to go with it. We even used lots of everyday objects to create equal groups.

In English we have looked at instructions and how to follow and write our own set of instructions. We learnt all about imperative verbs. We have also been looking at an interesting book called "How to Find Gold". Children then created their own instructions on how to make a sandwich.

In History we have been looking at Queen Victoria and Queen Elizabeth. The children learnt some cool facts about both of these amazing women but we also learnt about their similarities and differences.

## KS2 SCHOOL ORCHESTRA

Orchestra for KS2 will be starting on Wednesday.

If your KS2 child learns the following instruments outside of school and would like to join, please contact the School Office: Violin, Cello, Flute, Clarinet, Oboe, Trumpet, Horn, Trombone, Tuba.

Unfortunately, we are unable to include Piano or Drums at this time.
