

Dear Parent/Carer,

I hope you are all well and keeping safe. It was great to hear the heartfelt thanks for the NHS and key workers last night in the community. Thank you to everybody working hard to combat this virus.

This week the children in school have been on an Easter egg hunt and made some Easter baskets. In art they have been making clay models and painted them. I hope the children have enjoyed their Purple Mash activities and tried a few of the challenges set last week.

We are continuing to add to our website each time we are directed to another free resource available for children to access at home. Please keep an eye on the website for any updates.

Today and over the coming week you will receive a summary report of the progress your child has made to date. Do let us know if you have any comments and we will get back to you after the break.

Do continue to keep yourselves safe and well.

We look forward to seeing you all again soon.

Lisa Williams
Headteacher

HOME LEARNING

Have a look at our recently updated Home Learning page. Why not try out the Science Technology Engineering and Maths activities which contains lots of problem solving and fun tasks for all the family. In additions there is SUMDOG where you can sign up for a free parent's account and engage your children in maths and spelling games. Click on the parent link on the Third Space Maths Hub page and engage your child in online maths lessons.

We hope that the links are a useful support in keeping your children occupied and we will endeavour to update the content of our Home Learning page as new materials are released. If you know of any online activities that we do not have on our Home Learning page, let us know at admin@rusheygreen.lewisham.sch.uk and we can add it.

In the meantime Stay Home and Keep Safe.

BBC

The BBC will offer daily programmes to help parents and children with schoolwork at home during the lockdown.

Starting on 20 April, videos, quizzes, podcasts and articles will appear on BBC Bitesize Daily via the BBC iplayer, red button, BBC Four and BBC Sounds.

Children's lessons will feature presenters including Oti Mabuse, Katie Thistleton oand Karim Zeroual.
