

## BLACK HISTORY MONTH

Know the past, shape the future.

### POLAND CLASS

In year 1 we have been having lots of fun with our story of "The Lonely Beast". We have been making welcome home banners, party invites and a party guest list while using lots of interesting adjectives and nouns.

In Maths, we have using lots of mathematical language, such as 'greater than', 'less than' and 'equal to'. We have lots of fun learning the "Mrs Alligator can chomp" song. We were comparing numbers and ordering them from smallest to greatest.

Also, we had a great time making bread for Harvest.

We mixed the ingredients and kneaded the bread, squishing and squeezing it. Once the bread was cooked in the kitchen, we got to try it! It tasted so delicious, we wished there was more!

Poland class have been so great this half term at adjusting to year 1 life. They have been working together, learning to never give up and trying the challenge ourselves! They have worked so hard on their spellings -

we have seen such an improvement in their writing already.

Well done Poland class! Miss Heard and Mrs Couchman are really proud! Keep up the good work!
