

# RUSHEY GREEN FOREST SCHOOL

**EVERY  
THURSDAY  
MORNING**

**FOREST SCHOOL IS AN  
INNOVATIVE AND  
IMMERSIVE APPROACH  
TO EDUCATION THAT  
TAKES PLACE ENTIRELY  
IN THE NATURAL  
ENVIRONMENT**

One of the key principles of Forest School is child-led learning.

This means that your child has the freedom to choose activities, explore their interests, and set their own pace for learning.

This autonomy fosters a sense of independence and self-confidence, empowering your child to become a self-motivated learner.

## LEARNING NEW SKILLS

- Children develop a profound appreciation for the environment.
- Cultivate a lifelong love for nature and a strong sense of environmental stewardship.
- Improved physical fitness and well-being
- Decision-making skills and independence
- Teamwork and social skills.
- A holistic and enriching education that not only enhances academic learning but also prepares children for success in all aspects of life.

## WHAT WILL THEY NEED

long sleeve top

full-length bottoms

wellies or sturdy shoes/trainers

**CHILDREN WILL  
GET MESSY  
AND DIRTY!**

## WHAT IS FOREST SCHOOL

Unlike traditional classroom settings, our Forest School encourages children to connect with nature on a profound level.

Through hands-on experiences, exploration, and play, your child will learn about the world around them in a unique and engaging way.

Forest School prioritises holistic development with a strong emphasis on social and emotional growth. Your child will learn essential life skills such as problem-solving, teamwork, and resilience while navigating the challenges and opportunities that the natural world presents.

As a teacher, I have witnessed firsthand the growth in confidence and resilience that children gain through overcoming challenges in the forest.

## RUSHEY GREEN FOREST SCHOOL

I look forward to embarking on this exciting journey with your child and witnessing their growth and development in the natural world.-  
Mrs Walters Forest School Lead.
