Dear Parents,

In light of the announcements yesterday evening by the Prime Minister and Education Secretary that all schools will be closing from Friday for almost all children, we would like to make plans for the next few weeks. In order to help the country fight the virus but keep functioning, only our most vulnerable children and the children of key workers will be allowed to attend school.

If your child is identified as 'vulnerable', please expect the school to contact you before the weekend to discuss arrangements for next week.

If you are a keyworker (NHS staff, police, teacher, essential delivery drivers) and intend to keep sending your child to school, please could you email us by lunchtime today at [admin@rusheygreen.lewisham.sch.uk](mailto:admin@rusheygreen.lewisham.sch.uk) letting us know what your job is. We will then be able to let you know about the arrangements for next week.

If you are not a keyworker, we would like to thank you for helping to fight the virus by keeping your children at home. As mentioned in my last letter, we will send information about how you can support your child's learning at home today or Friday.

Thank you for your help and support at this time. our thoughts are with any families affected by the virus. We wish them a speedy recovery.

We hope that you all stay healthy and happy, and that this time with your children will help to support them through any anxiety they may have regarding the virus.

Kindest regards

Lisa Williams

Headteacher
