

Rushey Green Primary School

Nursery Newsletter - Spring 2 2021

1

Welcome back parents and children! It's been a long time since we've all been together, but hopefully this half term we will all be back together in Nursery.

We're looking forward to returning to our regular learning routine so the children can continue with the incredible progress they had made in the winter term.

If you have any questions or require any additional information please do not hesitate to discuss with a member of the team.

Thank you,

The Nursery Team
Aaron, Judith, Charlotte, Katie, Ines and Yvonne

This term we our topic is: Seasons of the year

This half-term we will be continue exploring the seasons of the year, looking closely at how the world around us changes as the seasons change. Unfortunately we were unable to explore this topic fully during the last half term, but we hope to delve deeper into the topic once everyone is back.

We will continue to develop our number knowledge, counting objects up to 10 and behind, and we will also continue to develop our mark-making skills and name-writing. We have introduced some sounds this term via our online learning, and will continue to help children develop their phonics knowledge once they have returned.

This term we will also continue to develop our relationships, ensuring that we remember how to share and play together and to use our language skills to express our wants and emotions.

Dates to remember!

Wednesday 31st March: Last day of term

Making use of Google classroom

The first few weeks of the next half term are likely to remain online. Everyone should have already received their google classroom log in details, but if not please inform the office. As well as videos and resources for the children, there is also information on how to support children's play and learning at home.

On the google classroom you will also find useful information to help structure and maintain learning and development at home. Play is integral to the Early Years Foundation Stage and provides endless opportunities to help develop and extend knowledge. On the Nursery google classroom you will find several documents under "Information for Parents" that can help support play and learning at home. Please upload and pictures or drawings your children do at home so we can share all their lovely work.

You can also access the link to our google meet sessions, where we meet virtually, read a story and talk online to our teachers and friends.

The times for the google meet:

N1: Monday & Tuesday 12:00 - 12:15

N2: Thursday & Friday 12:00 - 12:15

N3 (full time): Please feel free to join any of these sessions

Spare clothes

We kindly ask that you pack a spare set of clothes and underwear in your child's bag each morning. Toileting accidents can happen to anyone, and we only have a limited amount of spare clothes in the Nursery. Thank you

Wellington boots

If possible please also pack a pair of wellington boots for your child to change into.

Our outside area gets very muddy, especially during the rainy spring season.
