

# RGSA - Volunteering

---

One of the finest ways to get acquainted is through activity in the PTA. There are so many ways in which your talents might be buried and we want to make certain they are unearthed.

We have compiled this questionnaire to find out a bit more about you and the things that interest you. This questionnaire in no way commits you to any specific task however if you would like to contribute your time and talent, please detach this sheet, tick your areas of interest and return to the box in reception.

Why don't you try it out - help us at one event and see whether you enjoy it?
