## Statement of Intent

**AQUINAS Church of England Education Trust** (and its academies) [‘the Trust’] believes that all pupils are entitled to an education that enables them to achieve their best, become confident individuals living fulfilling lives, and make a successful transition into adulthood.

This policy outlines the framework the Trust will use in meeting its duties, obligations, and principal equality values in providing an appropriate high-quality education for pupils with Special Educational Needs and Disabilities (SEND).

Through successful implementation of this policy, our academies aim to eliminate discrimination and promote equal opportunities.

The Trust will work with the Local Authority, or equivalent, in ensuring that the following principles underpin this policy:

- The involvement of pupils and their parents in decision-making.
- The early identification of pupils’ needs and early intervention to support them.
- A focus on inclusive practice and removing barriers to learning.

- Collaboration between education, health, and social care services to provide support.
- High-quality provision to meet the needs of pupils with SEND.
- Greater choice and control for pupils and their parents over their support.
- Successful preparation for adulthood, including independent living and employment.

Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities. For the purposes of this policy, a pupil is defined as having SEND if they have:

- A significantly greater difficulty in learning than most others of the same age.
- A disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age in mainstream settings.
- Special educational provision that is additional to or different from that made generally for other children or young people of the same age by mainstream settings.

- Ensure there is high-quality provision to meet the needs of pupils with SEND, with specific focus on inclusive practice and removing barriers to learning.
- Fulfil its statutory duties towards pupils with SEND considering the SEND code of practice.
- Promote disability equality and equality of opportunity, fulfilling its duties under the Equality Act 2010 towards individual disabled pupils.
- Make reasonable adjustments, including the provision of auxiliary aids and services, to ensure that disabled pupils are not at a substantial disadvantage compared with their peers.
- Designate a teacher to be responsible for coordinating SEND provision, i.e., the **SENCO**.
- Inform parents when they are making special educational provision for their child.

- Ensure procedures and policies for the day-to-day running of the academy do not directly or indirectly discriminate against pupils with SEND.

The **SENCO** will be responsible for:

- Collaborating with the **Headteacher** and **Trust SEND Lead**, as part of the SLT, to determine the strategic development of the **SEND Policy** and provision in the academy.

- Understanding and implementing strategies to identify and support vulnerable pupils with the support of the **SENCO**.
- Keeping the relevant figures of authority up to date with any changes in behaviour, academic developments and causes of concern. The relevant figures of authority include the **Headteacher**.

## 4. Identifying SEND

The academy recognises that early identification and effective provision improves long-term outcomes for pupils. As part of the overall approach to monitoring the progress and development of all pupils, it has a clear approach to identifying and responding to SEND as outlined in the academy's **SEN Information Report**.

With the support of the SLT, classroom teachers will conduct regular assessments for all pupils, with the aim of identifying pupils who are making less than expected progress given their age and individual circumstances.

'Less than expected progress' will be characterised by progress which:

- Is significantly slower than that of their peers starting from the same baseline.
- Does not match or better the pupil's previous rate of progress.
- Fails to close the attainment gap between them and their peers.
- Widens the attainment gap.

The academy plans, manages and reviews SEND provision across the following four broad areas of need:

- Communication and interaction.
- Cognition and learning.
- Social, emotional, and mental health difficulties.
- Sensory and/or physical needs.

## 5. Safeguarding

The academy recognises that evidence shows pupils with SEND are at a greater risk of abuse and maltreatment, so will ensure that staff are aware that pupils with SEND:

- Have the potential to be disproportionately impacted by behaviours such as bullying.
- May face additional risks online, e.g., from online bullying, grooming and radicalisation.
- Are at greater risk of abuse, including child-on-child abuse, neglect, and sexual violence and harassment.

The academy recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. These barriers include, but are not limited to:

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the pupil's condition without further exploration.
- These pupils being more prone to peer group isolation or bullying (including prejudice-based bullying) than other pupils.
- The potential for pupils with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.
- Communication barriers and difficulties in managing or reporting these challenges.

The **Trust SEND Lead** will ensure that the Trust's **Child Protection and Safeguarding Policy** reflects the fact that these additional barriers can exist when identifying abuse. When using physical intervention and reasonable force in response to risks presented by incidents involving pupils with SEND, staff will have due regard for the procedures outlined in the academy's **Physical Intervention Policy**.

Care will be taken by all staff, particularly those who work closely with pupils with SEND, to notice any changes behaviour or mood, or any injuries, and these indicators will be investigated by the **Designated Safeguarding Lead** (DSL) in collaboration with the **SENCO**.

## 6. SEND support

Academies are aware of their statutory duty to provide a broad and balanced curriculum and recognise that high quality teaching, which is **adapted** for individual pupils, is the first step in responding to pupils who have or may have SEND.

Teachers at the academy will:

- Set high expectations for every pupil.
- Plan stretching work for pupils whose attainment is significantly above the expected standard.
- Plan lessons for pupils who have low levels of prior attainment or come from disadvantaged backgrounds.
- Use appropriate assessment to set targets which are deliberately ambitious.
- Plan lessons to ensure that there are no barriers to every pupil achieving.
- Be responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff.

Decisions on whether to make special educational provision for pupils will be based upon:

- Discussions between the teacher and **SENCO**.
- Analysis of the pupil's progress – using internal formative and summative assessments, alongside national data, and expectations of progress.
- Discussion with the pupil and their parent.

Once a pupil has been identified with SEND, the academy will employ a graduated approach to meeting the pupil's needs. This will be through the adoption of a four-part cycle – **assess, plan, do, review** – whereby earlier decisions and actions are revisited, refined, and revised with a growing understanding of the pupil's needs and of what supports the pupil in making good progress and securing good outcomes. The process is as follows:

- **Assess:** establishing a clear assessment of the pupil's needs.
- **Plan:** agreeing the adjustments, interventions, and support to be put in place, as well as the expected impact on progress, development, or behaviour, along with a clear date for review.
- **Do:** implementing the agreed interventions and support.

- **Review:** analysing the effectiveness of the interventions and their impact on the pupil's progress in line with the agreed review date.

Where higher levels of need are identified, the academy will access specialised assessments from external agencies and professionals.

Where, despite the academy having taken relevant and purposeful action to identify, assess and meet the SEN of a pupil, they have not made expected progress, the academy, in consultation with parents, will consider requesting an Education, Health and Care (EHC) needs assessment.

### **English as an Additional Language (EAL)**

The academy is aware that there may be pupils at the academy for whom English is not their first language and appreciates that having EAL is not equated to having learning difficulties. At the same time, when pupils with EAL make slow progress, it will not be assumed that their language status is the only reason; they may have SEND.

The academy will consider the pupil within the context of their home, culture and community and look carefully at all aspects of a pupil's performance in different subjects to establish whether the problems they have in the classroom are due to limitations in their command of English or arise from SEND.

## **7. Early years pupils with SEND**

All early years providers are required to have arrangements in place to identify and support children with SEND and to promote equality of opportunity for children in their care. These requirements are set out in the EYFS framework.

The academy will ensure all staff who work with young children are alert to emerging difficulties and respond early.

The academy will:

- Ensure staff listen and understand when parents express concerns about their child's development, as well as listening to any concerns raised by children themselves.
- Monitor and review the progress and development of all children throughout the early years.
- Use its best endeavours to make sure that a child with SEND gets the support they need.
- Ensure that children with SEND engage in the activities of school alongside children who do not have SEND.
- Designate a teacher to be the **SENCO**.
- Provide information for parents on how it supports children with SEND.
- Prepare a report on the:
  - Implementation of **SEND Policy** and procedures.
  - Arrangements for the admission of children with SEND.
  - Steps being taken to prevent children with SEND from being treated less favourably than others.

- Facilities provided to enable access to the school for children with SEND.
- Accessibility plan showing how it plans to improve access over time.
- Inform parents when the academy makes special educational provision for their child.
- Follow a graduated approach to assessing, planning, implementing, and reviewing provision and progress – the ‘assess, plan, do, review’ cycle.

## 8. Admissions

The academy will ensure it meets its duties set under the DfE’s ‘School Admissions Code’ by:

- Not refusing admission for a child thought to be potentially disruptive, or likely to exhibit challenging behaviour, on the grounds that the child is first to be assessed for SEND.
- Not refusing admission for a child that has named the academy in their EHC plan.
- Considering applications from parents of children who have SEND but do not have an EHC plan.
- Not refusing admission for a child who has SEND but does not have an EHC plan because the academy does not feel able to cater for those needs.
- Not refusing admission for a child who does not have an EHC plan.
- Not discriminating against or disadvantaging applicants with SEND.
- Ensuring policies relating to school uniform and trips do not discourage parents of pupils with SEND from applying for a place.
- Adopting fair practices and arrangements in accordance with the ‘School Admissions Code’ for the admission of children without an EHC plan.
- Ensuring the academy’s oversubscription arrangements will not disadvantage children with SEND.
- Ensuring that tests for selection are accessible to children with SEND, with reasonable adjustments made where necessary.

Arrangements for the fair admissions of pupils with SEND are outlined in the **Admissions Policy** and will be published on the academy’s website.

## 9. Transition

The academy is aware of the importance of planning and preparing for the transitions between phases of education and preparation for adult life.

Where pupils have EHC plans, these will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of support and provision at the new setting.

## 10. Involving pupils and parents in decision-making

The academy is committed to working in partnership with all parents in the best interests of their child and will provide an annual report for all parents on their child’s progress.

Where a pupil is receiving SEND support, the academy will regularly liaise with parents in setting outcomes and reviewing progress. The class teacher, supported by the **SENCO**, will meet with parents as part of the academy's parents' evening procedures.

The planning that the academy implements will help parents and pupils with SEND express their needs, wishes and goals, and will:

- Focus on the pupil as an individual, not allowing their SEND to become a label.
- Be easy for pupils and their parents to understand by using clear, ordinary language and images, rather than professional jargon.
- Highlight the pupil's strengths and capabilities.
- Enable the pupil, and those who know them best, to say what they have done, what they are interested in and what outcomes they are seeking in the future.
- Tailor support to the needs of the individual.
- Organise assessments to minimise demands on parents.
- Bring together relevant professionals to discuss and agree together the overall approach.

Where the Local Authority provides a pupil with an EHC plan, the academy will involve the parents and the pupil in discussions surrounding how the academy can best implement the plan's provisions to help the pupil thrive in their education and will discern the expected impact of the provision on the pupil's progress.

Where necessary, the academy will facilitate support from an advocate to ensure the parent's views are heard and acknowledged.

## **11. Funding for SEND support**

Where additional pupil needs are identified the academy will use its delegated funding allowance to provide early intervention support for the benefit of pupils identified with SEND.

Where pupils with SEND have been receiving early intervention support but are still not making sufficient progress, the academy will consider accessing high needs top-up funding from the Local Authority to provide additional specialist support.

## **12. EHC needs assessments and plans**

The academy recognises that, despite having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil, some pupils may not make expected levels of progress. In these cases, the academy will consult with parents and consider requesting an EHC needs assessment.

The purpose of an EHC plan is to make special educational provision to meet the SEND of the pupil, to secure the best possible outcomes for them across education, health and social care and prepare them for adulthood.

As part of the EHC needs assessment, the academy will meet its duty by:

- Responding to any request for information as part of the EHC needs assessment process within six weeks from the date of the request unless special exemptions apply as outlined in the SEND Code of Practice.
- Providing the Local Authority with any academy-specific information and evidence about the pupil's profile and educational progress.
- Gathering any advice received from relevant professionals regarding their education, health and care needs, desired outcomes, and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.

If, following the assessment, the Local Authority decides not to issue an EHC plan, the academy will be provided with written feedback collected during the EHC needs. It will use this information to contribute to the graduated approach and inform how the outcomes sought for the pupil can be achieved through further special educational provision made by the academy and its partners.

Where the Local Authority decides to issue an EHC plan, it must consult the prospective school by sending a copy of the draft plan and consider their comments before deciding whether to name it in the pupil's EHC plan. The school will meet its duty to provide views on a draft EHC plan within 15 days.

The academy will admit any pupil that names it in an EHC plan and will ensure all those teaching or working with a pupil named in an EHC plan are aware of the pupil's needs and that arrangements are in place to meet them.

### **13. Reviewing EHC plans**

The academy will ensure that teachers monitor and review the pupil's progress during the year and conduct a formal review of the EHC plan at least annually.

The academy will:

- Cooperate with the Local Authority and relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the Local Authority if requested.
- Ensure that the appropriate people are given at least two weeks' notice of the date of the meeting, such as representatives from the Local Authority SEN, social care, and health services.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Ensure that sufficient arrangements are put in place at the academy to host the annual review meeting.
- Contribute any relevant information and recommendations about the EHC plan to the Local Authority, keeping parents always involved.
- Lead the review of the EHC plan to create the greatest confidence amongst pupils and their parents.

- Prepare and send a report of the meeting to everyone invited within two weeks of the meeting, setting out any recommendations and amendments to the EHC plan.
- Clarify to the parents and pupil that they have the right to appeal the decisions made regarding the EHC plan.
- Where possible for LAC, combine the annual review with one of the reviews in their care plan, in particular the **Personal Education Plan (PEP)** element.
- Where necessary, provide support from an advocate to ensure the pupil's views are heard and acknowledged.
- Where necessary, facilitate support from an advocate to ensure the parent's views are heard and acknowledged.
- Review each pupil's EHC plan to ensure that it includes the statutory sections outlined in the 'Special educational needs and disability code of practice: 0 to 25 years', labelled separately from one another.

If a pupil's needs significantly change, the academy will request a re-assessment of an EHC plan at least six months after an initial assessment. Thereafter, the **Headteacher** will request the Local Authority to conduct a re-assessment of a pupil whenever they feel it is necessary.

#### **14. Supporting successful preparation for adulthood**

The academy is aware that being supported towards greater independence and employability can be life-transforming for pupils with SEND. It recognises the importance of starting early, centring on pupil aspirations, interests and needs, and will ensure that pupils are supported at developmentally appropriate levels to make a smooth transition to what they will be doing next, e.g., moving on to higher education.

The academy will:

- Seek to understand the interests, strengths and motivations of pupils and use this as a basis for planning support around them.
- Support pupils so that they are included in social groups and develop friendships.
- Ensure that pupils with SEND engage in the activities of the academy together with those who do not have SEND and are encouraged to participate fully in the life of the academy and in any wider community activity.
- Engage with secondary schools, as necessary, to help plan for any transitions.

#### **15. Managing complaints**

The academy will publish the Trust's **Complaints Policy** on the academy's website.

Following a parent's serious complaint or disagreement about the SEND provision being made for their child, the academy will contact the Local Authority immediately to seek disagreement resolution advice, regardless of whether an EHC plan is in place.

The academy is aware of the formal and informal arrangements for resolving disagreements at a local level and will work with the Local Authority in responding to requests for information as part of procedures for:

- Disagreement resolution.
- Mediation.
- Appeals to the SEND Tribunal.

Parents will be made aware that Ofsted can consider complaints relating to whole school SEND early years provision if the problem has not been resolved informally.

The academy will meet any request to attend a SEND tribunal and explain any departure from its duties and obligations under the 'Special educational needs and disability code of practice: 0 to 25 years'.

## 16. Staff training and improving practice

The academy is committed to the learning and development of all its staff members and training opportunities will be provided and delivered in line with the academy's **CPD and Training Policy**.

With the **Trust SEND Lead**, the academy's **SENCO** will assess staff competencies and ensure that CPD provision allows staff to develop their awareness, skills, and practices in identifying, educating, and assessing pupils with SEND.

## 17. Use of data and record keeping

All information about pupils will be kept in accordance with the Trust **Records Management Policy** and **Data Protection Policy**.

The academy's records will:

- Record details of additional or different provision made under SEND support, with accurate information to evidence the SEND support that has been provided over the pupil's time in the academy, as well as its impact, e.g., using provision maps.
- Include details of SEND, outcomes, action, agreed support, teaching strategies and the involvement of specialists, as part of its standard management information system to monitor the progress, behaviour, and development of all pupils.
- Maintain an accurate and up-to-date register of the provision made for pupils with SEND.
- Be kept securely so that unauthorised persons do not have access to it, so far as reasonably practicable.

The academy keeps data on the levels and types of need within the academy and makes this available to the Local Authority and Ofsted.

### Confidentiality

The academy will not disclose any EHC plan without the consent of the pupil's parents, except for specified purposes or in the interests of the pupil, such as disclosure:

- To a SEND tribunal when parents appeal, and to the Secretary of State under the Education Act 1996.
- On the order of any court for any criminal proceedings.

- For the purposes of investigations of maladministration under the Local Government Act 1974.
- To enable any authority to perform duties arising from the Disabled Persons (Services, Consultation and Representation) Act 1986, or from the Children Act 1989 relating to safeguarding and promoting the welfare of children.
- To Ofsted inspection teams as part of inspections of schools and Local Authorities.
- To any person in connection with the pupil's application for students with disabilities allowance in advance of taking up a place in HE.
- To the **Headteacher** (or equivalent position) of the setting at which the pupil is intending to start their next phase of education.

The academy will always adhere to the Trust **Confidentiality Policy**.

## **18. Publishing information**

The academy will publish information on their website about the implementation of this policy.

The information published will be updated annually and any changes to the information occurring during the year will be updated as soon as possible.

The **SEN Information Report** will be prepared by the **SENCO** with the **Headteacher** and will be published on the academy's website. It will include all the information outlined in paragraphs 6.79 and 6.83 of the 'Special educational needs and disabilities code of practice: 0 to 25 years'.

## **19. Joint commissioning, planning and delivery**

The academy will work closely with local education, health, and social care services to ensure pupils get the right support.

The academy will assist the Local Authority in carrying out their statutory duties under the Children and Families Act 2014, by ensuring that services work together where this promotes children and young people's wellbeing or improves the quality of special educational provision (Section 25 of the Children and Families Act 2014).

The academy will draw on the wide range of local data sets about the likely educational needs of pupils with SEND to forecast future needs, including:

- Population and demographic data.
- Prevalence data for different kinds of SEND among children at the national level.
- Numbers of local children with EHC plans and their main needs.
- The numbers and types of settings locally that work with or educate pupils with SEND.
- An analysis of local challenges or sources of health inequalities.

The academy will plan, deliver, and monitor services against how well outcomes have been met, including, but not limited to:

- Improved educational progress and outcomes for pupils with SEND.
- Increasing the identification of pupils with SEND prior to school entry.

Where pupils with SEND also have a medical condition, their provision will be planned and delivered in coordination with the EHC plan.

SEND support will be adapted and/or replaced depending on its effectiveness in achieving the agreed outcomes.

We work with a range of external professionals to support our children inclusively and fairly, including:

- Professionals who work for statutory services, including NHS and LEA - professionals from these public bodies engaged in undertaking statutory work for the Needs Assessment Process.
- Professionals commissioned by the academy to undertake assessments and offer advice; this includes independent professionals and LEA traded services such as Educational Psychologists and SEN Advisory Services.
- Professionals commissioned by parents.

Academies work in full partnership with professionals who work for statutory services or are commissioned by the academy. These professionals provide advice and recommendations for the support of individual pupils within the context of their setting. Such professionals work collaboratively with staff, and their observations are used to provide advice directly to the academy to consider, implement and integrate.

Where possible, professionals commissioned by parents will be requested to complete their observations and assessments outside of the academy's premises – either at home or in a clinic. The academy will cooperate with parents and their commissioned professionals – all professional advice and recommendations will be considered.

Whilst professional advice from external partners is always considered useful, decisions about next steps within the SEND Graduated Approach (including any further work to identify needs, adaptations to teaching, reasonable adjustments and interventions) are always made by the **SENCO** in consultation with parents considering the academy's context as laid out in the academy's SEND Information Report.

## 20. Local Offer

The academy's **SENCO** will collaborate with the **Trust SEND Lead** and support the Local Authority in developing and reviewing the Local Offer, where necessary and appropriate, to ensure it is:

- **Collaborative:** Where appropriate, the academy will work with Local Authorities, parents, and pupils in developing and reviewing the Local Offer. The academy will also cooperate with those providing services.
- **Accessible:** The academy will collaborate with the Local Authority during development and review to ensure that the Local Authority's Local Offer is easy to

understand, factual and jargon-free; is structured in a way that relates to pupils' and parents' needs, e.g., by broad age group or type of special educational provision; and is well-signposted and well-publicised.

- **Comprehensive:** The academy will help to ensure parents and pupils understand what support can be expected to be available across education, health, and social care from age 0 to 25 and how to access it. The academy will assist the Local Authority in ensuring the Local Offer includes eligibility criteria for services, where relevant, and makes it clear where to go for information, advice, and support, as well as how to make complaints about provision or appeal against decisions.
- **Up to date:** The academy will work with the Local Authority to review the Local Offer to ensure that, when parents and pupils access the Local Offer, the information is up to date.

The academy will provide the Local Authority with information about their existing SEND provision and capabilities to support pupils with SEND to aid in the drafting of the Local Offer, where required.

## 21. Monitoring and review

This policy is reviewed on an **annual** basis by the **Education Scrutiny Committee** and **Trust SEND Lead**. Monitoring is conducted through the Trust's programme of quality assurance and that undertaken by the individual Academy. Changes to this policy are communicated to relevant stakeholders.

The next scheduled review date for this policy is **September 2024**.
