Yr 7 PE with Mr Channer

- ▶ Please bring boots for rugby
- ▶ All Mr Channer's other groups will be outside - remember only Rye red ¼ zip PE tops to be worn. No hoodies etc allowed.

What is equality to you?

- ▶ Briefly discuss

Equality is important to us

- ▶ Diversity, inclusion and equality student voice.
- ▶ We will meet once a term to discuss how we can improve our diversity, inclusion and equality in the school.
- ▶ This includes race, disability, LGBTQ+ and gender issues.
- ▶ If you are interested in this and want to attend the first meeting please email Mrs Halvey on lhalvey@ryecollege.co.uk or come and find me in the art department.

More great work in DT

- ▶ On Tuesday 17th year 9 took part in an interactive career's session supported by STEM Sussex. It focused on two engineering apprentices at Gatwick airport.
- ▶ They talked about all sorts of things, including the starting trainee salary being £19,500 that is more than double the national average at £8750!
- ▶ Our students asked questions about the subjects that they did before getting the job
- ▶ The students were given the following advice:
 - ▶ Get as qualified as possible and grab every opportunity that comes your way. Sign up for courses, activities and find work experience where you can. Remember to sing about time's that you have taken an engineering initiative, even at home fixing your own bike.
 - ▶ When starting your apprenticeship search, throw yourself in headfirst. Make your CV shine, shout about interesting and relevant experiences that you have had and remember to try and stand out above the rest
 - ▶ When in doubt, GIVE IT ALL A GO! Try out new things to study, jobs and experiences as many times as it takes to figure out where your career passions lie and where you want to be working
