- ▶ It was the first football fixture of the year and although some of the students had attended some training sessions they had not yet played as a team
- ▶ The team developed confidence throughout the game and demonstrated this through their resilience and consistency to apply pressure against the other team
- ▶ Well done on representing the school in a positive light and I hope to see the team perform against other schools in the future

Netball Congratulations

- ▶ On Thursday after school, we had the pleasure of hosting St Leonard's Academy for two Netball Games
- ▶ Year 7 played outside on the Netball courts whereas year 8 played in the Sports Hall
- ▶ In both games the teams worked well together and communicated well to keep possession of the ball and even get the ball into their attacking end to score some goals
- ▶ The students consistently intercepted passes and never gave up, regardless of the score or the cold weather!
- ▶ Year 7 managed to work together and get the ball to the Goal Attack and Goal Shooter who were able to score two goals within their game!
- ▶ Year 8 were also able to do the same, but they managed to score a fantastic seven goals which meant they won their match.
- ▶ Overall, both teams should be immensely proud of not only their performance but also in the way they represented the school and their demonstration of the Rye College values.

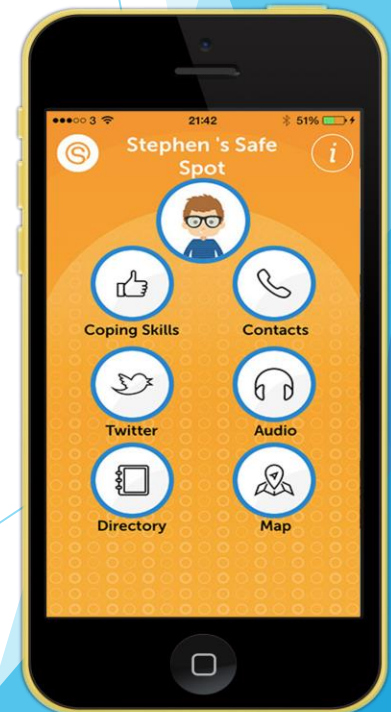

- ▶ SuperBetter builds resilience - the ability to stay strong, motivated and optimistic even in the face of change and difficult challenges. Playing SuperBetter unlocks heroic potential to overcome tough situations and achieve goals that matter most.

- ▶ Together these aspects of SafeSpot will aim to equip young people with all the information, advice and access to services that they need to manage their own mental health and deal with any challenges that life may throw at them.
- ▶ SafeSpot has involved young people throughout the design and development of the app, website and curriculum.
