TERMS AND CONDITIONS

The Lessons

We will offer a minimum of 30 lessons to your child during the 38-week school year and you will receive an invoice at the beginning of each term, usually in September, January and April. Depending on the length of each term the exact number of lessons offered may vary but, in total, at least 30 lessons will be offered in an academic year.

The termly fee covers the cost of group tuition for a minimum of 3 children learning together in a 30-minute lesson. At our discretion, if there are only 2 children learning in a class, a paired 20-minute lesson may be offered for the same fee. If the number of children learning in a group reduces to 2 during the course of a term, we reserve the right to reduce the lesson duration to 20 minutes without notice. If it is not possible to offer your child group tuition, a temporary individual 15-minute lessons may be offered until it is possible for your child to be grouped with others.

Individual lessons may also be available subject to availability for which different charges apply. To transfer from group tuition to individual tuition please email to confirm your request.

Lessons will continue to be provided from one term to the next and you will receive an invoice each term until you tell us that lessons are no longer required (please see ending your contract below). This applies even if your child is changing school e.g. from Primary to Secondary school, as arrangements are made to support transition.

We reserve the right to offer online tuition as an alternative, should we be unable to offer face-to-face lessons due to circumstances beyond our control (such as school closure).

Payment

We will invoice you at the beginning of each term and payment is due within two weeks of receiving your invoice. If payment is not received, following a reminder and with a revised deadline, regrettably we will have to stop your child's tuition and any other children receiving tuition on your account.

If you're having difficulty paying please contact us to discuss how we might be able to help.

Withdrawal from Lessons

If your child wishes to stop lessons, please let us know by emailing admin@createmusic.org.uk by the following dates to finish at the end of that term: 1st December, 1st March or 1st July

We cannot accept verbal notification or notification to your child's teacher or school. These dates apply even if your child is changing schools as arrangements are made for lessons to continue from one academic year to the next.

You will be charged a late withdrawal fee equivalent to half a term's fee if notice to withdraw is not received by the above dates. This does not entitle you to any lessons, as it is a late-notice charge. If lessons have already begun in a term and at least one lesson has been attended, the full term's fee is payable. When you withdraw from tuition you must return any hired instruments to the teacher or one of our offices.

Create Music reserves the right to renew fees, terms and conditions periodically and without notice. To read our full terms and conditions, please refer to our website: <https://createmusic.org.uk/our-policies/website-terms-and-conditions/>

I understand that fees are payable in advance and will be invoiced at the beginning of each term. I agree to the Terms and Conditions (which include notification of withdrawal) laid out in the tuition agreement. I am aware that Create Music reserves the right to renew fees, terms and conditions periodically and without notice.
