

ENRICHMENT WEEK 2024

24th - 28th June 2024

WHAT ARE YOU GOING TO DO?

WELCOME

We're delighted to offer our Key Stage 3 students a range of exciting opportunities during our annual Enrichment Week.

This gives students in Years 7 – 9 the opportunity to embark on a journey. This may be a journey to explore new places or a journey that explores hidden talents and skills.

Above all, it is a chance to learn about themselves.

A journey of self-discovery.

This is an exciting week where the curriculum is enriched by providing students with activities that cannot normally take place in an average day.

A range of enrichment activities, both here at school and local venues, will take place over the week.

Please read through this booklet to learn more about the exciting opportunities on offer, including information on the relevant year groups, costs and the Pupil Premium (PP) cost for students receiving funding support.

Kindly review this booklet with your child, paying close attention to the trip details. This ensures that your child selects options aligned with their interests, contributing to a rewarding and successful Enrichment Week experience for both them and their peers.

We encourage students to consider the personal skills they wish to develop when making their choices.

We hope that your child has a worthwhile Enrichment experience filled with opportunities for learning and personal development.

If you have any questions, please email: office@ryecollege.co.uk.

Kind regards,
