Rye College Uniform and Equipment Expectations

At Rye College, we take pride in our appearance at all times and ask families to help us in ensuring that students always wear correct school uniform. We expect students to take pride in their personal appearance and in wearing their school uniform. Their clothes should be clean and smart and shoes should be polished. Attention to personal hygiene and grooming is also important. Our uniform policy is a non-negotiable that allows students to make the most of their learning in a calm and positive environment. Students, who are not in correct uniform, may be issued uniform to wear (including plimsolls), asked to return home and come back suitably dressed, or placed in solo study for the day. In all cases, you will receive a telephone call. Please note, our dress code requirements are gender-neutral.

We promote our values in daily school life, encouraging students to focus on the essential aspects to succeeding, not only in school, but outside as well. We run termly and annual award events to encourage and motivate students to embrace our culture and values.

Our Behaviour System

Where students do not take accountability and follow our Basic Standards code of conduct, we have a behavioural management system in place.

Our Attendance Expectations

As we are in school 190 days out of 365 - that's 52% of the whole year we expect students to be in school.

We expect:

- Students to arrive each morning by 8.50am, after 8.55am, all access routes will be locked and students will have to enter via the reception entrance.
- Students who arrive after 9.00am will be recorded as late. This will be monitored and families of students who are persistently late will be required to attend a support meeting to discuss this.

Rye College sets a **minimum target of 97% attendance for each student** and will not authorise any holiday absence during term time or absences without medical evidence.

If a student's attendance drops below 97%, families will receive a letter to inform you of our concerns about your child's attendance at school. You may be invited in for a meeting to discuss your child's attendance and placed on a '10 in 10' support plan.
