Head Teacher: Mr. D. Downes

20<sup>th</sup> June 2024

Dear families,

**RE: Enrichment Week Trip – Observatory Science Centre, Herstmonceux**

We are writing with further information about your child's place on the trip to The Observatory Science Centre on Thursday, 27<sup>th</sup> June.

Students will experience Spectacular Science through the medium of interactive activities- every exhibit is designed to be played with to see what happens; investigate, learn and have fun!

On the day of the trip, we will be meeting at 8:30am on the MUGA for registration. Travel to the Centre will be by coach from the Freedom Leisure Centre car park.

Return to school will be approximately 3:30pm. The coach drop-off on return will be at the Freedom Leisure Centre car park. Students will be dismissed from the car park upon return.

Kindly note the following:

- Students should wear sturdy trainers and appropriate clothing.
- Students should bring a water bottle and packed lunch.
- Sunscreen and a hat in case of warm weather.
- Students may bring money to buy snacks, but we kindly ask the amount is kept to a reasonable minimum. Students are responsible for managing any spending money they bring with them.

If your child is in receipt of free school meals, a packed lunch will be provided.

Please do not hesitate to contact us via [office@ryecollege.co.uk](mailto:office@ryecollege.co.uk) if you have any queries.

Kind regards,

Mr. D. Downes  
Head Teacher
